NOTE.—No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

Officers on the Retired List who have commuted their Retired Pay, must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

The List of Retired Officers of the Royal Naval Reserve now appears at page 723.

Officers of late Royal Naval Artillery Volunteers must send in annually to the Secretary of the Admiralty, between 1st January and 31st March, a notification of their being alive, otherwise their names will be removed from the List.

The List of these Officers appears at page 731.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The EDITOR *of the Navy List will be glad to receive any communications respecting omissions or errors in the List, addressed to him at the* ADMIRALTY, LONDON, S.W. *Such communications should be marked "On His Majesty's Service."*

The NAVY LIST *is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.*

By command of their Lordships,

EVAN MACGREGOR.

NAVAL AND GREENWICH HOSPITAL PENSIONS

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible in accordance with Articles 2127 to 2131 of the King's Regulations and Admiralty Instructions of 1899 (Addenda).

ENGINEER LIEUTENANTS.

NOTE.—*As the seniority of certain Engineer Lieutenants of over 8 years' standing as fixed on the 1st April, 1903, in some cases appears to give them a position inferior to that which their seniority as Chief Engineer entitled them, it is to be noted that the relative rank of all such Officers is governed by the date of their advancement to the Chief Engineers' List.*

ALPHABETICAL LIST OF OFFICERS ON THE ACTIVE LIST, OF HONORARY OFFICERS, AND OF THE AUSTRALASIAN BRANCH OF THE ROYAL NAVAL RESERVE.

(Retired Officers of Royal Naval Reserve are shown in a separate list at page 723 of Quarterly Navy List, after Retired Officers of the Royal Navy and Royal Marines.)

NOTE.—*Officers whose dates of seniority are in italics, are attached to the Australasian Branch of the Royal Naval Reserve (see page 517a).*

Officers of the Military Branch whose names are printed in italics are liable to removal from the list for non-attendance at drill (Art. 98), for having left the sea service (Arts. 99 or 100), or for failure to qualify for promotion to Sub-Lieutenant within the required time (Art. 101). Engineer Officers whose names are printed in italics are liable to removal from the list for not being employed in accordance with the Regulations (Art. 103) or for failing to report themselves (Art. 104). Such officers should therefore forward without delay any explanation they may have to offer for their non-compliance with the Regulations.

LIST OF OFFICERS ON THE ACTIVE LIST OF THE ROYAL NAVAL RESERVE ACCORDING TO SENIORITY.

NOTE.—*Officers of the Military Branch marked * have completed 12 months' training in the Royal Navy, and are entitled to the Annual Training Fee of £25 a year in the cases of Commanders and Lieutenants, £20 a year in the case of Sub-Lieutenants, and £10 a year in the cases of Acting Sub-Lieutenants and of Midshipmen. Such Officers will be marked with an additional asterisk (*) in respect of each further period of 12 months' service. Officers marked § have served in the Fleet for one or more short cruises only.*

Those marked † have completed and obtained a certificate in either a Gunnery or Torpedo Short Course, whilst those marked ‡ have completed and obtained a certificate in both Gunnery and Torpedo Short Courses.

*Engineer Officers marked * have completed a three months' course of Instruction at one of the Home Dockyards.*

Officers of the Military Branch whose names are printed in italics are liable to removal from the list for non-attendance at drill (Art. 98), or for having left the sea service (Arts. 99 or 100), or for failure to qualify for promotion to Sub-Lieutenant within the required time (Art. 101). Engineer Officers whose names are printed in italics are liable to removal from the list for not being employed in accordance with the Regulations (Art. 103), or for failing to report themselves (Art. 104). Such Officers should therefore forward without delay any explanation they may have to offer for their non-compliance with the Regulations.

The names of Honorary Officers who have not held rank on the Active List are shown after the List of Officers on the Active List. Retired Officers are shown in a separate List at page 723 of Quarterly Navy List.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 90 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(*a.*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b.*) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(*c.*) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(*d.*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

By command of their Lordships,

Admiralty. EVAN MACGREGOR.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

In making out this List, the following Directions are to be carefully observed:—

I. The List to be made out in triplicate, for their Lordships the Commander-in-Chief of whose Flag-Ship Officers are to be borne, and the Accountant-General when Officers are entitled to Full-pay Leave otherwise it is to be made out in duplicate, for their Lordships and the Accountant-General.

II. Foreign Service in a Ship commences on the date of leaving England, and ends upon her arrival home, the time employed fitting out at home and dismantling after arrival not being reckoned as Foreign Service. If a Ship returns to England and proceeds again to a Foreign Station, the time in England is not to be reckoned as Foreign Service.

III. The Actual Foreign Service only is to be specified in red ink against each Officer. If the Foreign Service of any Officer falls short of *one* year it may be entered in black ink, inserting "nil" in the column for "No. of Weeks' Leave." If an Officer has been checked on leave to England during his service, the period should also be stated.

IV. An Officer taking passage out in a Mail Packet or Private Ship will reckon Foreign Service from date of embarkation for passage out.

V. An Officer returning to England, if entitled to Full-pay Leave after arrival, is to be borne on the book of the Flag-ship at whichever port is most convenient to him. The name of such Flag-ship should be inserted in the left-hand corner on the other side of this Form before the Officer embarks for passage to England.

VI. The full-pay only of the respective ranks will be allowed while on leave, *excluding* Command Money to Lieutenants and Staff-Commanders in Command, Senior and Gunnery Allowances, and all other additions to Full-pay.

VII. No advance or Payment on Account is to be made by the Paymasters to an Officer while on Full-pay Leave under the Circular; the Pay Tickets are to be forwarded from the Flag-Ship to the Accountant-General, by whom only the time on leave can be investigated and the amount due paid, when the Officer's leave expires.

VIII. By Orders in Council, it is directed that the leave is only allowed at their Lordships' discretion, on return from Foreign Service, as follows:—

For every complete six months' service abroad, provided the absence has not been less than one year . . . . . One week

For every month served beyond the last period of six months . . One day

This scale to extend to a period of five years' absence from England.

2. Cases in which the absence from England is less than one year, or more than five years, will be specially dealt with by their Lordships when circumstances, in their opinion, warrant the extension of some special indulgence to an Officer returning to England after such absence.

EXTRACT FROM THE REGULATIONS.

They shall be pensioned at 55 years of age, and at any age, if found unfit for service at sea; and they may, by the permission of the Admiralty, be pensioned at their own request, at 50 years of age.

The following shall be the scale of pensions:—

	For each year's Service, above the Rank of Petty Officer.	Addition for each year's Service as Seaman (or Petty Officer), Artisan or Engine-room rating, but the additional time allowed for Service as Seaman-Gunner not to count.	Maximum for Service only.	Minimum for Service only.

„ Boatswain .	5 0	1 10	150	No fixed Minimum.
„ Carpenter .				
Gunners, Boatswains, Carpenters and Head Wardmasters:—				
Under 10 years .	3 10	1 10	120	Under 5 years' service as warrant-officer, 40*l.* With 5 years' do. and under 10, 50*l.*
With 10 years	4 0	1 10	120	With 10 years' do. and under 15, 75*l.* With 15 years' service as warrant-officer, 95*l.*
Chief Artificer Engineers:	5 0	*2 10	150	No fixed Minimum.
Artificer Engineers:				
Under 10 years	10	*2 10	120	Under 5 years' service as Warrant Officer, 50*l.* With 5 years' do. and under 10, 60*l.*
With 10 years	4 0	*2 10	120	With 10 years' do. and under 15, 75*l.* With 15 years' do. 95*l.*

* Time served before promotion will also count at the rate of £1 10s. for each year's continuous service prior to being rated Chief Petty Officer, this latter rate to apply also, as regards corresponding service, to the pensions of Artificer Engineers who have risen to that rank from the grade of Boy Artificer.

All such Officers holding appointments in His Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as time towards pension, on the above scale.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10*l.* a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 2112 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for a pension on account of age, long service, or disability is made by an such Officer who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August, 1870, and no hurt certificate is produced, the applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been guilty of misconduct.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—*For Tables of Full, Half, and Retired Pay, and Gratuities, see pp.* 773, 793.

NAVAL OFFICERS.

I.—*General Rules.*

1. After the award of retired pay, no increase of such pay to be allowed to any Officer, except as provided in the Regulations for Officers on the Reserved or Retired Lists when called into Active Service in time of war or emergency (*see* p. 941). The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay, or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. (*a*) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(*b*) An Officer placed on the Retired List under Clause (*a*), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half-pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commutation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(*c*) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(*d*) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(*e*) Sub-Lieutenants and Assistant Paymasters, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (*a*), may be awarded gratuities not exceeding 25*l.* for each year's service in these ranks, or 250*l.* in all.

(*f*) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such compassionate allowance as the Admiralty may think fit provided that such allowance shall in no instance exceed one third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

(*g*) Commissioned Warrant Officers, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (*a*), may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(*h*) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers, and Subordinate Officers of all ranks.

13. A Quartermaster may, after completing 10 years' service as such, be granted the honorary and relative rank of Captain.

14. The Quartermasters at the Marine Office to receive an allowance of 5s. a day, in addition to their pay as Quarter-Masters.

15. A Quartermaster employed in an appointment of trust and responsibility to which the Admiralty may assign the honorary rank of Major, may be granted such honorary rank.

16. An Officer of any rank may be promoted as a reward for special merit and promise, but such special promotion shall not exceed one in each year for the whole corps, and in every case the promotion is to be notified in the "London Gazette," with a statement of the special merit for which it has been granted.

Appointments.

17. Service as Colonel Commandant is to be for three years only. Other staff appointments (except as specified in para. 18) are to be held for five years, but must be vacated on completion of two years' service as Major, except those of Paymaster, Barrack-Master, and Quartermaster. Adjutancies are to be held by Captains or Lieutenants in such proportion as the Admiralty may from time to time fix, having regard to the state of the Lists. An Adjutancy is not to be held after promotion to the substantive rank of Major.

18. Appointments of Assistant Adjutant, Assistant Instructor of Gunnery and Musketry, and Superintendent of Swimming Instruction are held for a period of three years, or until the promotion of the officers holding them if the period of three years has not expired.

RETIREMENT, etc.

General Regulations.

19. An Officer shall not be permitted to remain in the Royal Marines unless during the first three years of his service his retention therein is shown to be in every respect desirable.

20. An Officer shall not have any claim to the half pay, retired pay, or gratuity established for Officers of his rank or service unless the Admiralty is satisfied with the manner in which he has performed his duties.

21. Officers of Royal Marines who shall be placed on Half Pay are to be borne on a Supplementary List while on Half Pay, and the vacancies thus created on the Active List shall be filled.

Officers placed on the Supplementary Half Pay List are not to be replaced on Full Pay until vacancies occur on the Establishment.

22. Any Officer shall be liable to removal from the Active List at any time for misconduct or incapacity, and, if so removed, he shall be dealt with in regard to retiring allowance as the Admiralty may determine.

23. The sentence of a Court Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also when the sentence of a Court Martial takes away any seniority from an Officer, it thereby affects his full, half, and retired pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the full, half, and retired pay and gratuity depend upon actual service.

24. An Officer placed upon the retired list is in no case to be replaced on the Active List.

25. An Officer dismissed the Service by sentence of Court Martial for misconduct, or allowed to resign his commission to avoid trial by Court Martial, may, at the discretion of the Admiralty, be granted a compassionate allowance provided that such allowance shall in no case exceed one third of the amount of half-pay to which the Officer was entitled at the time of removal, and provided also that such allowance shall not in any case exceed £100 per annum.

26. All service for the purposes of gratuity, pension, and retirements to count from the age of 20, except in the case of Officers who entered the service prior to the 1st April 1870, who, under the Order in Council of the 5th of February 1872, retain the right of counting time from the age of 18 if appointed before that age, and from the date of their Commission if appointed after 18. (Amended by Order-in-Council 29th November, 1881, to 18 years.)

27. An Officer retired may, at his own request and with the consent of the Admiralty, compound his retired pay under the rules laid down by the Lords Commissioners of His Majesty's Treasury for Administering Act 32 and 33 Vict., cap. 32.

No pension, except a pension for wounds, can be compounded.

Compulsory Retirement

28. General Officers to be retired at the age of 65.

29. Colonels Commandant to be retired at the age of 60 or on expiration of command.

30. Colonels Second Commandant to be retired at the age of 60. A Colonel Second Commandant passed over for appointment to the command of a Division may be retired at the discretion of the Admiralty.

31. Lieutenant Colonels to be retired at the age of 54, or after six years' service in that rank. A Lieutenant-Colonel with six years' service in that rank may however, at his option, be placed upon a special half pay list, and be eligible for promotion and employment on the staff up to the age of 54.

32. Majors to be retired at the age of 48. A Major who is specially intended in the interests of the Service for Lieutenant Colonel's rank and command, may be retained on the list of Majors, beyond the age of 48, for such period as the Admiralty may consider desirable.

33. Captains who have not passed the examination for Major to be retired at the age of 42. The case of a Captain who may be prevented from passing by illness or other unavoidable cause will be specially considered.

34. Paymasters and Barrack Masters to be retired at the age of 54.

Voluntary Retirement.

35. Voluntary retirement to be allowed, at the discretion of the Admiralty, after the service or at the age laid down at page 805.

Retirement for Physical Unfitness.

36. An Officer, above the rank of Captain, who is found by a medical board to be permanently incapacitated for further service is, if his service entitles him to retired pay on voluntary retirement, to be at once placed upon the retired list, receiving retired pay, as laid down at pages 805 and 806.

(*Extract from Order in Council of 15th January*, 1878.)

37. "Officers incapacitated by illness, &c., after only short service to be granted instead of temporary half pay as allowed by Order in Council of 4th August 1873, Retired Allowances, by way of Annuity, upon the following conditions, which are the same conditions as those imposed upon Army Officers by the 151 and 152 Articles of the recent Royal Warrant, viz.:—

"An Officer who may become unfit for service in consequence of wounds received in action, or of ill-health contracted *in and by* the performance of military duty, as certified by a Medical Board, may be granted temporary half-pay until he shall recover, and until an opportunity shall occur for his re-employment, Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted *in* the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused *in and by* the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half-pay, after not less than one year upon temporary half-pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted *in* the service.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 225*l.* a year at 42 years of age."

(*Extract from Order in Council of 30th November*, 1882.)

38. (*a*) An Officer who becomes temporarily unfit for service in consequence of wounds or injuries received while on duty, or ill-health certified by the Medical Director General to have been contracted in the Service, may, if the Admiralty considers the circumstances under which the disability was contracted are not such as to preclude the grant of half pay, be granted half-pay until he recovers, and an opportunity occurs for his re-employment.

"Such Officer shall not, however, remain on half-pay beyond the date to which he would be otherwise subject to retirement, and he shall be subject to retirement as specified in the following clause.

Except in the case of wounds or injuries received on duty, the officer must be of three years' seniority in the Royal Marines.

(*b*) An Officer, after remaining not less than one year on half-pay, if reported by the Medical Director General to be permanently unfit for further service, may be placed on the retired list, with retired pay according to the scale laid down at page 806, provided he has been upon full pay for a total period of five years in the case of an Officer whose disability has been incurred in and by the Service, and of 12 years in other cases.

(*c*) An Officer, who entered the Service before 1st April, 1870, shall be allowed a rate of retired pay not less than that which would have been granted to him under the Orders in Council of 22nd February, 1870, and 5th February, 1872; and an Officer who entered after 1st April, 1870, but before 1st July, 1881, may, at the discretion of the Admiralty be granted a retired allowance under the conditions contained in paragraphs 12 and 13 of the Order in Council of 15th January, 1878.

Retired Rank.

39 An Officer retiring on retired pay or gratuity may, provided he has completed 20 years' service, be granted honorary promotion to the rank next above that held by him.

N.B.—By A. L. N. 1554 of 12 June, 1891, this honorary promotion is confined to Colonels Commandant.

Good Service Pension.

40. An Officer who has held a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay, together with the Good Service Pension, would amount to more than 950*l.* a year, is to relinquish the Good Service Pension on vacating the appointment, and half or retired pay of 950*l.* a year, is to be awarded to him.

41. An Officer who has not been in receipt of a Good Service Pension while serving as Deputy-Adjutant General, and whose half or retired pay after vacating the appointment falls short of 950*l.* a year, is to be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined be in excess of £950 a year, a reduction is to be made in the half or retired pay proportionate to such excess.

42. Lieutenant-Colonels and Colonels of Marines to be allowed to receive in retired pay together with Good Service Pension a sum not exceeding 600*l* a year, but should the two together exceed that sum they will be retired on 600*l.* a year, relinquishing the Good Service Pension.

NOTE.—This does not apply to Colonels Commandant.

43. An Officer retired from the position of Colonel Commandant is to be eligible for the Good Service Pension of a General Officer.

The widow and children of such an Officer may, subject to general regulations, receive pension and compassionate allowances at the rates provided for widows and children of General Officers.

Special Provision.

44. The regulations contained in Order in Council of 29th November, 1881, are to be applicable to Officers who entered the Service before the 1st April, 1870, but no such Officer is to receive less retired pay on retirement than he could have claimed under the Orders in Council of 22nd February, 1870, and 5th February, 1872.

Quartermasters.

45. To be retired at the age of 55, or if physically unfit for further service.

46. At the discretion of the Admiralty, to be retired on completion of 10, 15, or 20 years' service as Quartermaster. Retirement is to be optional after 20 years' service (counting service in the ranks, or as Warrant Officer as half-service), of which 10 years have been served as Quartermaster.

47. At the discretion of the Admiralty, a Quartermaster may be granted a step of honorary rank on retirement, provided he has completed 20 years' service.

Warrant Officers.

48. The following appointments will be held by Warrant Officers:—

Sergeant-Major.
Superintending Clerk, Marine Office.
Trained Bandmaster.
Superintending Clerk, Commandant's Office.
Superintending Clerk Paymaster's Office.
Schoolmaster, after 12 years' service as such.

A Marine is not as a rule eligible for appointment as Warrant Officer if below the rank of Sergeant, or over 40 years of age; but in cases deserving of special consideration the Lords Commissioners of the Admiralty have power to extend the limit of age for promotion to Warrant rank to 45 years of age (Order in Council 11th August, 1884).

49. To be retired at the age of 55, or if physically unfit for further service, and to be retired at an earlier age should it be deemed expedient.

50. A Warrant Officer is not to be granted an annuity for meritorious service and distinguished conduct, nor a medal or gratuity for long service and good conduct; but he may retain an annuity he has been granted before promotion for distinguished and meritorious conduct, or for conspicuous gallantry in action; and he may keep and wear his medal for long service and good conduct. He may also receive a special pension with the Victoria Cross.

Commissioned Bandmasters.

51. To be on the same footing as regards retirement and pension as the Officers of similar rank in the Army.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

B. Her late Majesty, by Her Order in Council of 25th June, 1851, having been graciously pleased to sanction certain arrangements, proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals and 51 Rear-Admirals: this reduction will be effected as follows, viz.:—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag under the Order in Council of 30th June 1827. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.
2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.
3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.
4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.
5. Flag Officers, at present on the Active List, who may be retired under these Regulations will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointments of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.
6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals . . (But not to be more than three Admirals of the Fleet at one time.)	21
Vice-Admirals	22
Rear-Admirals	42
Total .	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above whether they have served or not.

CAPTAINS.

1847.

The plan of retirement published in the London Gazette of 1st Sept. 1845, and carried out by Order in Council of 24th April 1847, provides:—

1st. That the rank of retired Rear-Admirals shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-Pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1850) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 14. List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 14.5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List, will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz.:—

1st, as vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, the Sovereign's undoubted right of selection. Those Captains will rise to their Flags, who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains B
who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired.	13*s.* per diem

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10*s.* 6*d.* Half-pay List when retired . . . . . 18*s.* per diem
If on the 12*s.* 6*d.* " " " } 20*s.*

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire irrespective of age, at the several rates of 18*s.* or 20*s.* a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service at the rate of 16*s.* a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of 50, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. B. 6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a day; subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860, to be allowed more than the pay of 20*s.* a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

T. 2. Officers promoted to the rank of Captain after the date authorised by the Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25*s.* a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two of every three vacancies caused by age, retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10*s* 6*d.* per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75*l.* per annum if otherwise entitled thereto.

1851.

I. The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3. By placing on reserved half-pay all Commanders who have not served afloat or in the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. *(This list was abolished in May, 1863.)*

1856.

1. That the List of Captains on the Reserved List established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up by selection also from the Active List

2. That the List of Retired Captains (established by Order in Council of 10th August 1840, and increased by Order in Council of 25th June 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

1860.

All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Retired Captain, and to receive Half-pay according to their length of Sea Service, on the scale herein-after mentioned.

O. This List consists of the 100 Senior Lieutenants who by age and infirmities are presumed to be incapable of further service, and who are permitted to retire at a pension of 8s. 6d. a day, with the rank of Commander. Their widows receive a pension of £60 per annum.

1851.

The number of Lieutenants on the Active List will be reduced to a number not permanently exceeding 1,200, viz.:

MN 1st. By the promotion of 50 Lieutenants by selection, as above stated.

2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished by Order in Council of August*, 1860.)

1856.

Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100; such increase to be effected by selecting from the Active List of Lieutenants a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

1860.

Lieutenants on the Active List, who have attained or may hereafter attain the age of 60, to be placed on a Retired List with the rank of Retired Commander and to receive pay according to their Sea Service on the hereinafter-mentioned scale.

Lieutenants on the Active List, who have not been employed, either afloat, in the Coast Guard, in command of Revenue Vessels, or as Mail or Transport Agents within a period of 15 years, to be placed on a Retired List, and to receive pay also on the same scale as herein after mentioned. These Officers to be permitted to assume the rank and title of Retired Commander on attaining the age of 60, but without further addition to their Retired Pay.

Scale of Retired Pay.

No further additions from the Active List to be made to the present Retired and Reserved Lists for Commanders and Lieutenants.

Lieutenants who have been promoted to the Reserved List of Commanders, under the Orders in Council of 25th June 1851, and 30th January 1856, will be entitled to increase of pay on the above scale, according to their length of service.

1864.

1. The Active List of Lieutenants not to exceed 1,000 instead of 1,200, the number at which it is at present fixed.

2. Lieutenants who have completed fifteen years Sea Service in that rank, and who have attained the age of 45, to be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay, and their widows to be allowed Pensions on the scale provided for in the Order in Council of August 1, 1860, with this difference only, that such Officers who shall in future retire, shall reckon their Service on the Coast Guard on shore, or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

3. Lieutenants who are either now on the Reserved or Retired List, or who may be in future Retired under the provisions of the Order in Council of August 1, 1860, and Lieutenants of Greenwich Hospital, to be allowed to assume the rank of Retired Commander on attaining fifteen years' seniority, but without any increase of Half-pay or Widows' Pension beyond that authorised by the Orders in Council under which they were respectively retired.

1866.

Lieutenants to be retired at 55, or when physically unfit for service, and to be allowed to retire at 45, with the consent of the Admiralty, on the terms of the Order in Council of 9th July 1864.

UNIFORM REGULATIONS FOR OFFICERS OF THE FLEET.

The following are the descriptions of the *Uniform to be worn by the Officers of the Royal Navy:—

EXTRACTS FROM THE KING'S REGULATIONS AND ADMIRALTY INSTRUCTIONS.

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

§ XV.—UNIFORM.

116. The Officers, Men, and Boys of His Majesty's Fleet and the Royal Marines shall wear such uniform as the Admiralty shall, in pursuance of His Majesty's pleasure, from time to time direct.

2. The descriptions of the various articles of uniform are specified in the Uniform Regulations, and will be published from time to time in the Navy List.

The prescribed patterns are to be strictly adhered to.

When to be Worn.

117. Every Officer, from the time of his joining the fleet, squadron, or ship to which he shall be appointed, to that of his being removed from it, shall wear the uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

Plain Clothes.

2. Permission may be given to the Officers to wear plain clothes on ordinary leave; but at Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their ships may be lying (except Fancy Dress Balls) Officers are to wear the uniform of their rank, as prescribed for the various occasions specified under "Dresses," and occasions on which they are to be worn," and the deviations are to be authorised without special authority previously obtained from the Admiralty.

2a. Officers are not to wear Naval Uniform at Fancy Dress Balls. They are not prohibited, however, from appearing at such Entertainments in uniforms of a date anterior to 1843.

Subordinate Officers.

3. Subordinate Officers when on ordinary leave are to wear the uniform of their ranks; but permission may be granted to them to wear plain clothes when going into the country, or to ride, shoot, play cricket, or for exercise.

Foreign Ports.

4. In Foreign Ports great discretion should be exercised in allowing Officers to appear out of uniform, as in such cases they can have no right to expect to be recognised as British Officers.

Royal Marines

5. Officers of the Royal Marines are to wear their full dress on the occasions when ball dress and frock coat with epaulettes dress are worn.

Officers on Retired and Reserved Lists

118. Officers on the retired and reserved lists whose names appear on the list of the Navy, are permitted to wear the uniform of their respective ranks on State and other occasions of ceremony.

§ XVIII.—WEARING DECORATIONS AND MEDALS

Wearing Decorations and Medals.

Knights Grand Cross.

128. 1. The insignia of Knights Grand Cross of orders consisting of the badge suspended from a broad ribbon over the shoulder, and the star, are to be worn with full dress and ball dress; with the former the ribbon should be worn under the epaulette and sword belt; with the latter, under the coat and over the waistcoat. With full dress, on collar days, the collar takes the place of the ribbon.

2. With frock coat and epaulettes the star of the order only is to be worn. With frock coat the star may be worn at discretion.

3. With uniform coats other than full dress and ball dress the ribbon of a Companion of the Order is to be worn (*see* clause 20) except that with mess dress, miniature badges (not stars) may be worn in lieu, and with mess undress, miniature ribbons.

Knights Commander.

4. The insignia of Knights Commander of Orders, consisting of the badge suspended from a ribbon round the neck, and the star, are to be worn with full dress, ball dress, and frock coat with epaulettes. The ribbon should be worn inside the collar of the coat.

The above rule applies to such classes of British and Foreign decorations as are ordered to be worn round the neck.

5. With the frock coat the star only may be worn at discretion.

6. With uniform coats, other than full dress and ball dress, the rules laid down in clause 3 are to be observed.

Badges of Companions of orders, and medals.

7. The badges of Companions of orders are to be worn, together with medals, with full dress and ball dress, but under the circumstances stated in clause 15, miniature badges and medals may be worn with the latter dress

8. With all other uniform coats the rules laid down in clause 3 are to be observed.

N.B.—The Uniform Regulations for officers, with coloured illustrations and patterns, may be obtained through any bookseller from any of the following agents, viz.:—

b. Foreign Decorations.—In order of date.

c. Foreign Medals.—In order of date.

* These orders are not worn in miniature.

11. } Cancelled.
11a. }
12. }
13. }

Length of bar in full dress.

14. On the full dress coat the bar must not project beyond the centre seam, and when the decorations and medals cannot be suspended from the bar so as to be fully seen, on account of their number, they are to overlap, the highest showing in full.

Length of bar in ball dress.

15. With ball dress the bar is to go over the lapel, if necessary, but not beyond, and if from the number of decorations and medals, it should be too long to be worn conveniently, miniatures may be worn in lieu.

Buckles of Companions of orders.

16. The buckles of the Companions of the orders of the Bath and of St. Michael and St. George, as part of the decoration, are to show half way between the upper and lower edge of the ribbon.

Humane Society's, and other similar medals.

17. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

Description of bar.

18. In all cases the bar for the suspension of decorations and medals is to be provided at the expense of the wearer. It may be of any metal or material, and of any pattern consistent with the above instructions, provided the bar and the buckle are wholly concealed by the ribbons.

Length of ribbons.

19. The ribbons of decorations and medals are to be of the following lengths—

a. When decorations and medals are worn :—

Full size	1 inch
Miniature	½ inch

b. When ribbons alone are worn :—

Full size	¾ inch
Miniature	½ inch

These lengths are not to be exceeded, unless, in the case of medals, the number of clasps should necessitate it.

Ribbons sewn on the coat.

20. When ribbons, either full sized or miniature, are required to be sewn on the uniforms, the same order of arrangement is to be followed, as that laid down in clause 10, for decorations and medals. Knights Grand Cross and Knights Commander will however add the ribbon of a Companion of the order, or orders, to which they belong (*see* clauses 3 and 6). The ribbons are to be sewn plain on the cloth of the uniform, without intervals; and should the space between the shoulder to the edge of the lapel be insufficient to accommodate them in one row, they are not to be made to overlap as on the bar but are to be arranged in two or more rows placed immediately under each other, with an interval of ¼ inch between each row.

Decorations, &c., worn with White Uniform.

21. When dress No. 8 is worn in lieu of dress No. 3, the provisions of clauses 2 and 4 are to apply. The ribbons, as ordered in clause 20, are to be worn on the same occasions on a moveable bar.

Miniature decorations and medals.

22. Miniature decorations and medals are to be arranged on a bar in the same manner and order as full sized decorations and medals. Knights Grand Cross and Knights Commander will wear thereon, senior to all other decorations, except the Victoria Cross, the miniature badge of the order, or orders, to which they belong, omitting the buckle in the case of the orders of the Bath and of St. Michael and St. George. The precedence of the various orders of Knighthood concerned is as shewn in Cl. 10 A. for the companions of those orders.

23. If necessary the bar should extend over the lapel of the coat.

Decorations, &c., may be worn with plain dress.

24. Decorations and miniature decorations and medals are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family, or of Viceroys and Governors-General, and on public and official occasions.

Retired Officers.

25. Retired officers are authorised to wear decorations and miniature decorations and medals in evening dress on all public and official occasions.

8 NOTES TO DRESS REGULATIONS FOR SHIPS COMPANIES.

(1.) By *collars*, is to be understood the detached blue jean collar.

(2.) *Neck-handkerchiefs* are always to be worn except by men employed coaling and refitting. They are to be tied behind under the collar, the bight in front being confined by the strings, which having been first tied together are to be tied tightly in a bow over the handkerchief, leaving a bight of it about three inches long; the handkerchief should thus be *firmly* secured to the frock or jumper.

(3.) *Knife lanyards* with *knives* attached are to be worn by all men wearing seamen's dress.

(4.) *Caps* are always to be worn, except as shown in paragraph 5.

(5.) *Hats* are to be worn (*a*) During the summer season, weather permitting, with blue clothing; on occasions of ceremony, and on Sundays on board ship and in barracks as ordered by the Senior Officer present. (*b*) Always with No. 6 dress. (*c*) At any time as a protection from the sun, if ordered by the Senior Officer present. *Hats* are not to be worn at sea unless specially ordered as a protection against the sun.

(6.) *Cap covers* are always to be worn when any white clothing is worn. They are also to be worn with blue clothing:—

(*a.*) At Home. From the 1st May to the 30th September inclusive.

(*b.*) Abroad. At the discretion of the Senior Naval Officer present.

(7.) *Ribbons* on hats and caps are to be worn with the name straight in front and tied in a bow over the left ear—the ends being three and four inches long respectively—the shorter end being in front.

(8.) *Jerseys* are to be worn with blue clothing, and with white working rig during cold weather, as regulated by the Senior Officer present. [*In England, when once commenced, their use should be continued until about the beginning of April.*]

(9.) *Comforters* are only to be worn during exceptionally cold and raw weather, and during night watches;* during the day time they are only to be worn when specially ordered,—or by individuals, temporarily, on the Medical Officer's recommendation;—they are to be worn as follows—one turn round the throat and a half hitch and the ends tucked in inside the frock.

(10.) *Monkey jackets* are to be worn by men on duty or leave in cold or wet weather, as ordered. During the day time, except when raining, the blue jean collar is to be worn outside. Petty Officers and Leading Seamen and equivalent ratings are to wear their badges of rating embroidered in red on their monkey jackets. No other badges are to be worn on them. Coast Guard men may wear loose flushing jackets instead of monkey jackets.

(11.) All *frocks* and *jumpers* are to be cut down ten inches from the collar, the strings being nine inches below it; and on no account is any deviation from this to be permitted. The junction of the sleeve with the body is to be within 2 inches of the point of the shoulder.

(12.) *Boots* or *shoes* are to be worn when men are in blue clothing, except when decks are wet, and in hot climates

(13.) No *boots* or *shoes* but those of a strictly uniform pattern are allowed to be worn by anyone either on shore or on board.

(14) *Mourning.*—If men are, for private reasons, desirous of wearing mourning, they are to be allowed to wear a band of black crape, two inches wide, and of double thickness, round the left arm, midway between the point of the elbow and point of shoulder.

On public occasions the men are not to be required to wear mourning.

18. So as not to necessitate all badges being changed when a special qualification is altered, stars are supplied independent of badges and capable of being sewn on or removed as necessary. No nomination will be given to boys whose parents or guardians do not declare for them that they are prepared to enter any one of the three branches of the Service at the termination of their probationary period of service afloat.

As far as possible each Officer will be allowed to choose which Branch or Service he will join, but this must be subject to the proviso that all alike are satisfactorily filled.

Candidates must be of pure European descent, and the sons either of natural-born British subjects, or of parents naturalized in the United Kingdom. If any doubt arises upon this question, the burden of clear proof that he is qualified will rest upon the Candidate.

3. Every candidate desirous of receiving a nomination except Colonial nominees who are being educated in the Colonies) will be required to present himself before a Committee which will sit at the Admiralty for the purpose of interviewing candidates shortly before the Qualifying Examination takes place. The fact, however, of a candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily receive a nomination.

4. All nominations of Candidates for Naval Cadetships are made by the †First Lord, with the exception of a limited number which are at the disposal of individual members of the Board and of certain Officers of the Royal Navy (*see* paragraph 4 (*a*)).

A limited number of nominations are given annually to boys belonging to families resident in the Colonies The names of Candidates are submitted to the Secretary of State by the Governments of the Colonies concerned.

4 (*a*) A Flag Officer or a Commodore 1st Class appointed to the Chief Command of a Station, or to a separate command, and a Captain, on first appointment as such to the command of a ship in full commission, will be allowed to nominate one Candidate, provided the privilege is exercised within six months of appointment and that the Candidate is not less than twelve years old when nominated and that he is considered suitable by the Interviewing Committee. Before entry he will have to pass the Qualifying Examination.

5. The nominations will be made three times a year a few weeks before the date fixed for the examination of Candidates.

6. Candidates will be examined only once, but parents may choose whether they will send up their sons at the earlier or later of the two occasions upon which they will be eligible for nomination, on the distinct understanding that if nominated they are entered for the Qualifying Examination immediately succeeding the interview.

In the case of boys who have received nominations being prevented by illness from taking the Qualifying Examination, their nominations may be postponed until the next examination, if their age permits;

Should they not be able to present themselves for examination within the limits so prescribed, they will be finally excluded from entering the Naval College.

7. The Qualifying Examinations are held in March, July and December, and the appointments date from the 15th May, 15th September, 15th January, following, respectively.

8. Candidates for examination in—

March	must be not less than 12 years and 4 months nor more than 13 years of age on the following	..	..	15 May
July	do.	do.	..	15 Sept.
Dec.	do.	do.	..	15 Jan.

9. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination (Art. 10) he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision —as determined by Snellen's tests—is required. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. This may be obtained on application.

10. *The Qualifying Examination is in the following subjects:—

(1.) English (including writing from dictation, simple composition and reproduction of the gist of a short passage twice read aloud to the Candidates.)

(2.) History and Geography, with special reference to the British Empire.

(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

Arithmetic. The simple and compound rules, avoirdupois weight, linear and square and cubic measures, the elementary mensuration of rectangular surfaces and volumes, measure of capacity (pints, quarts, gallons), the metric system (the metre, gramme, and litre, with their multiples and sub multiples), money (including the relationship of the cent to the dollar, and the centime to the franc), reduction, simple proportion, factors, the addition, subtraction, multiplication, division and simplification of vulgar fractions, and non-recurring decimal fractions.

simultaneous equations, verification of the solution of equations, problems leading to simple equations.

(4) Geometry. The paper will consist of questions both on Practical and Theoretical Geometry.

All Candidates must be provided with a ruler graduated in inches and tenths and also in centimetres and millimetres, a small set square, a protractor, pencil compasses, and a hard pencil.

Any proof of a proposition will be accepted which appears to the Examiner to form part of a systematic treatment of the subject.

Proofs of the validity of constructions will not, as a rule, be expected, but they may be asked for.

Practical Geometry. Bisection of angles and straight lines, construction of perpendiculars to straight lines, construction of triangles with three parts given, formation of such angles as 60°, 30°, 45°, 22½°, without the use of the protractor, construction of angles equal to a given angle, construction of squares, rectangles, and parallelograms, construction of parallels to a given straight line, division of straight lines into a number of equal parts.

Theoretical Geometry. Definitions of the principal terms used either in Practical or in Theoretical Geometry, within the limits of the syllabus. The substance of the theorems contained in Euclid, Book I., Propositions 4-6, 8, 13-16, 18, 19, 26-30, 32-34. Very simple deductions from these theorems. The order in which the theorems are stated is not imposed as the sequence of their treatment.

(5.) French or German, with an oral examination, to which importance will be attached.

(6.) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order.

11. For all Cadets entered under these regulations the payment will be at the rate of £75 per annum for the period under training, to be paid every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered at each Examination, a limited number being sons of officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be £40 only. In this selection their Lordships will have regard solely to the pecuniary circumstances of the Cadet.

Applications for the Reduced Scale must be received at the Admiralty not later than 1st January, 1st May, and 1st September.

Parents or guardians are further required to make a private allowance of £50 per annum to Cadets from the expiration of their period of training until they reach the rank of Acting Sub-Lieutenant.

12. In addition to the annual payments mentioned in the foregoing paragraph, the parent or guardian is charged with the personal expenses incurred by the Cadet for washing, repairing boots and clothes, pocket-money, instruments, school books, sports, &c., amounting to probably not more than £8 a term.

13. The period of training in the training establishments is four years; there are three terms in each year. The first term of each year is approximately from 15th January to 15th April, the second from 7th May to 7th August, and the 3rd from 18th September to 15th December.

The vacations are four weeks at Christmas, three weeks at Easter, and six weeks at Midsummer.

14. It is to be distinctly understood that the period of training is a time of probation, and the parent or guardian of every Cadet is required to sign a declaration, on the admission of the Cadet, to the effect that he shall be immediately withdrawn on the receipt of an official request for his withdrawal.

The Lords Commissioner of the Admiralty reserve to themselves full discretion to request the withdrawal of any Cadet from the Royal Naval College, if after a sufficient trial he is in their opinion, for any reason, unsuitable for the Naval Service. This discretion will, as a rule, be exercised at the end of the first year, but the proficiency and progress of the Cadets will be periodically determined, and they may be required, if necessary, to withdraw at a later stage

15. (*a*) Reports of progress and conduct are made to the Admiralty at the end of each year of the Cadet's study.

(*b*) In all subjects of instruction the principle is followed of giving merit marks for current work. At the end of each year of training the Cadet's proficiency and progress is determined, partly by examination, and partly by the marks gained for current work during the year.

(*c*) Cadets who fail to attain a certain standard, or who, for any reason, are considered unsuitable for the Naval Service, may be required to withdraw at any time.

This rule applies to those who do not show an aptitude for Naval life, as well as to those who make insufficient progress, or whose constitution is weak, although no disease may have developed.

16. Cadets whose conduct is unsatisfactory may at any time be required to withdraw.

17. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

19. No pay is allowed by Government to Cadets in the training establishments. The pocket-money allowed to Cadets is charged to the parents.

By Command of their Lordships,

EVAN MACGREGOR

or guardians declare for them that they are prepared to enter any one of the three branches of the Service at the termination of their probationary period of training afloat. The examination** will include :—

PART I.

1. English (including writing from dictation, simple composition, and reproduction of the gist of a short passage twice read aloud to the Candidates)
2. (*a.*) History and (*b*) Geography—
   (*a.*) History (simple questions in English History and growth of the British Empire).
   (*b.*) Geography (simple questions, with special reference to the British Empire).
3. French or German (importance will be attached to the oral examination).
4. (*a.*) Arithmetic and (*b.*) Algebra—
   (*a.*) Arithmetic (Elementary, including Vulgar and Decimal Fractions).
   (*b.*) Algebra to Simple Equations, with easy problems.
5. Geometry (to include the subject matter of the First Book of Euclid, or its equivalent in Experimental Geometry and Mensuration. The use of instruments and of Algebraical methods will be allowed).

PART II.

(One only to be taken.)

6. Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).
7. A second Modern Language (of which, if not French or German, notice must be previously given), or an advanced examination in the language selected under Part I.
8. Experimental Science (easy questions with the object of testing practical knowledge and powers of observation).

The list of successful Candidates will be published in alphabetical order.

The Cadets on entry will all receive the same education and training until they have passed for Sub-Lieutenant at the age of 19 to 20. Of this period of training the first four years will be spent in the "Britannia" establishments, the instruction comprising an extension of the former "Britannia" course and a thorough elementary instruction in Physics and Marine Engineering, including the use of tools and machines. Instruction will also be carried out afloat in small vessels attached to the training establishments for that purpose.

2. After four years in the training establishments, all Cadets will go to sea, time gained on passing out counting as at present. The instruction of Midshipmen while serving in sea-going ships will, as regards Seamanship, be given as at present by an Executive Officer deputed by the Captain, and in other respects will, under the general supervision of the Captain, be carried out by the Engineer, Gunnery, Marine, Navigating and Torpedo Lieutenants of the respective ships. They will be examined annually in seamanship, navigation, and pilotage, gunnery, torpedo and engineering. At the end of three years every Midshipman who has passed the standard at the last annual examination and the final examination in seamanship before a board constituted as at present will become an Acting Sub-Lieutenant, and if abroad, will return to England.

3. Acting Sub-Lieutenants will go to the R.N. College, Greenwich, for a three months' course in mathematics navigation and pilotage, followed by an examination, and then to Portsmouth, for a six months' course in gunnery, torpedo and engineering. At the end of the course they will be examined and classed, and on passing will be confirmed as Sub-Lieutenants.

4. On being confirmed as Sub-Lieutenants, these Officers will be distributed between the Executive and Engineer branches of the Navy and the Royal Marines. As far as possible, they will be allowed to choose to which branch or service they will devote themselves, subject to the provision that all alike can be satisfactorily filled, but no Officer will be posted to a branch or service for which he did not volunteer through his Parents or Guardians when asking for a nomination.

5. All Sub-Lieutenants of the Executive Branch will go to sea for two years; at the end of which time they will be eligible for promotion to Lieutenants, provided they have obtained the necessary certificate of ability to keep watch. Those who have passed exceptionally good examinations will receive accelerated promotion, under the same regulations as at present.

6. Lieutenants with the necessary sea service who are selected to be trained as specialists in gunnery, torpedo, or navigation will go to the R.N. College, Greenwich, for special courses, and an entrance examination will be instituted at Greenwich for these specialists.

Every facility consistent with the requirements of the Service will be given to those Executive Officers who are not specialists to attend voluntary courses at the R.N. College, Greenwich, in Naval History, Mathematics, &c., and to study foreign languages at Greenwich or, preferably, abroad.

7. All Lieutenants entering the Service under the new scheme will be required at any time after attaining five years' seniority, but not before, to pass a qualifying examination, for promotion to the rank of Commander, in the following subjects :—

Court-Martial Procedure.
International Law.
Knowledge of British and Foreign Warships, Guns, Torpedoes, &c.
Naval History.
Signals*
Strategy.
Tactics and Battle Formations.

8. All Sub-Lieutenants of the Engineering Branch will go to the College at Keyham for a course of professional instruction, at the end of which time they will be eligible for promotion to Lieutenants (E.) under the same conditions as regards accelerated promotion as the Executive Sub Lieutenants. After leaving Keyham the most promising Officers will be selected to go to Greenwich for a further special course, which will include an opportunity of studying at large civil engineering establishments and institutions, while the remainder will go to sea.

9. Lieutenants (E.) will be eligible for promotion to Commanders (E.), Captains (E.), and Rear-Admirals (E.). Promotion of future Lieutenants (E.) and Commanders (E.) will be by selection, the former, after attaining five years' seniority, being required to pass a qualifying examination for promotion to the rank of Commander (E.).

The pay which Officers of the new Engineering Branch will receive is shown in Table A.

10. All Sub-Lieutenants who after their final examinations enter the Royal Marines will spend the next two years in acquiring military training, partly at the Headquarters of Divisions or the Depot and partly at the R.N. College, Greenwich. The training of all these Officers will be extended so as to correspond more closely to the training now received by young Officers, R.M.A. Specially promising Officers of Marines will qualify as Gunnery and Torpedo Lieutenants provided they have kept watch at sea for one year, have passed the first examination and been specially selected and recommended.

11. The future Marine Officers, whether posted to the R.M.A. or R.M.L.I., will all be on one list for seniority and promotion in the Corps. All Marine Officers (up to and including the rank of Captain of Marines) will be available for keeping watch at sea and for general executive duties afloat.

The relative ranks will be adjusted as follows :—

Naval.	Marine.
Lieutenant	Lieutenant over 2 years.
	Captain.
Commander	Major.
Captain under 3 years ..	Lieutenant-Colonel

The above will hold good only while these Officers are on ships' books, the relative rank when under the Army Act remaining as at present. The pay of future Officers of the Royal Marines is shown in Table B.

12. On shore, when employed with landing parties in Naval Brigades, &c., Naval and Marine Officers will take command of one another according to their seniority in their respective ranks.

** The syllabus of examination will be amplified later

II.

The Transition Stage as regards Entry.

13. The new system of Entry will be introduced at Midsummer 1903.

As Cadets entered under this system will not become effective for service in the Fleet for seven years from the date of entry, the normal number of entries under the existing system will continue as follows:—

Cadets for 2½ years.
Engineer Students for 4 years.
R.M.A. for 5 years.
R.M.L.I. for 6 years.

The last examination for entry of Cadets under the existing system will be held in November 1905.

14. A portion of the buildings and land at Osborne will be utilised, with His Majesty's gracious permission, for an additional training establishment, to which suitable small vessels will be attached for the instruction of Cadets in engineering and navigation.

III.

Alterations with regard to existing Engineer Officers.

15. It has been decided to make at once the following alterations in rank:—

The Engineer-in-Chief of the Fleet and the Chief Inspectors of Machinery to be styled Engineer Rear-Admirals. The Board reserve power to promote the Engineer-in-Chief to be Engineer Vice Admiral.

Inspectors of Machinery to be styled Engineer Captains;

Fleet Engineers to be styled Engineer Commanders;

Staff Engineers, Chief Engineers, and Engineers to be styled Engineer Lieutenants;

Assistant Engineers to be styled Engineer Sub-Lieutenants;

Assistant Engineers for temporary service to be styled Engineer Sub-Lieutenants for temporary service;

The rank of Probationary Assistant Engineer to be abolished;

Engineer Students to be styled Engineer Cadets, and the Naval Engineer College is to become the Royal Naval Engineering College.

16. The average period of reaching each rank will be assimilated as far as is possible to that of the Executive Branch. The new scale of pay of existing Engineer Officers will be shown in Table C

IV.

The Existing Marine Officer.

17. The services of the present Marine Officers will be utilised for employment in Gunnery and Torpedo duties and harbour work, such as Officer of the Guard, &c., and generally in taking a more active part in the duties of the ship.

They will be eligible for consideration for employment in the Naval Ordnance and Naval Ordnance Store Departments of the Admiralty, and as members of the Ordnance Committee.

The new scale of pay of the existing Marine Officers will be as shown in Table D.

The changes in pay shown in the annexed Tables will take effect from 1st April 1903.

By Command of their Lordships,
EVAN MACGREGOR.

NAVAL CADETS (NEW SYSTEM).

REGULATIONS RESPECTING CADETS WHILE AT THE ROYAL NAVAL COLLEGE AT OSBORNE.

(For the information of Parents and Guardians.)

ADMIRALTY *December*, 1904.

1. Naval Cadets will undergo a course of instruction in the Training Establishments for a period of four years of which two years will be at Osborne and the remainder at Dartmouth; there will be three terms in each year.

Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates (near Portsmouth Harbour Station) shortly before 3 p.m. on the appointed joining day. Cadets rejoining the College will be expected to make their own arrangements for doing so.

2. The terms are from about the following dates:—

15th January to 15th April,
7th May to 7th August,
15th September to 15th December

and the Vacations are

four weeks at Christmas,
three weeks at Easter and
six weeks at Midsummer.

3. The friends of the Cadets must be prepared to receive them during all the Vacations.

4. The following payment is required from the Parents or Guardians of each Cadet while in the Training Establishments as a contribution towards the cost of his education:—

At the commencement of each term £25, except in the case of those received at the reduced rate of £40 a year, whose payments will be £13 6s. 8d. only. Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for these sums as they become due, and the money should be at once remitted.

5. In addition to the above payments, any expenses incurred by a Cadet for clothing, books, washing, &c., as well as the allowance of 1s. a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

6. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

7. Inasmuch the Cadets have a weekly allowance paid to them as pocket-money, and as an amount is allowed by the Government to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and that the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

8. Any valuable Gold Watches or Chains brought by Cadets will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

9. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page must be complete. A list of the clothes left behind will be sent with Cadets when they go on leave.

10. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

11. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary Form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his not being received.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

12. All letters relative to the Cadets should be addressed as follows:—"*The Commanding Officer*, Royal Naval College, Osborne," and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, communicate the same to the Admiralty and to the Commanding Officer of the College without delay.

13. The course of study includes the following subjects:—

Mathematics with Geometrical Drawing.
Physics and Mechanics with laboratory work.
Engineering, with workshop practice and Mechanical Drawing.
Seamanship
Navigation.
French, with German later.
English Grammar and Composition.
English Literature.
History, including Naval History.
Geography.
Bible Study.
Drill.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshop and Instructional Steamboats attached to the College.

14. In addition to the lessons which the Cadets receive in the Instructional Steamboats, they are, from time to time, sent out for periods of a week or more in the Training Cruiser attached to the College, in order that they may acquire an early familiarity with the actual working conditions of sea life.

During these cruises a large proportion of time is given to Practical Engineering, Seamanship, and Navigation.

15 The Cadets who are entered in any one term are divided into classes of not more than 16. They are at first assigned to their classes in accordance with the result of the qualifying examination, and will be rearranged at the beginning of each term on the result of the previous term's work and examination, but a Cadet will not be promoted or degraded out of his own term.

16.—(*a.*) Reports of progress and conduct will be made to the Admiralty at the end of each year of the Cadet's study.

In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each year of training the Cadet's proficiency and progress will be determined, partly by examination, and partly by the marks gained for current work during the year.

(*c.*) Cadets who fail to attain a certain standard, or who, for any reason, are considered unsuitable for the Naval Service, may be required to withdraw at any time.

This rule will apply to those who do not show an aptitude for Naval life, as well as to those who make insufficient progress, or whose constitution is weak, although no disease may have developed.

17. Cadets whose conduct is unsatisfactory may at any time be required to withdraw.

In addition to the payments mentioned in paras. 4, 5 and 6, a charge will be made upon the parents at the end of each term for the expenses connected with the Cadets' Sports. It is not expected that the charge will exceed 10s. per term.

18. It is to be distinctly understood that the period of training is a time of probation, and the Parent or Guardian of every Cadet is required to sign a declaration on the admission of the Cadet, to the effect that he shall be immediately withdrawn on the receipt of an official request for his withdrawal. The Lords Commissioners of the Admiralty reserve to themselves full discretion to request the withdrawal of any Cadet if, after a sufficient trial, he is, in their opinion, for any reason unsuitable for the Naval Service. This discretion will, as a rule, be exercised at the end of the first year; but the proficiency and progress of the Cadets will be periodically determined, and they may be required, if necessary, to withdraw at a later stage.

By Command of their Lordships,

EVAN MACGREGOR.

(*These Regulations will come into operation in* 1907. *For Regulations at present in force, see page* 863.)

1. Three nominations to cadetships in the Royal Naval College, Dartmouth, will be granted annually to the "Conway," training ship of the Mercantile Marine.

2. Shortly before the end of each Term, the Committee of the Conway may nominate a Cadet from their training ship, for admission to the College as a Cadet of the Royal Navy, subject to his passing a qualifying examination and satisfying the conditions specified below.

Each Cadet so nominated will be required to pass an examination shewing that he has reached the same general standard of training as is reached by Naval Cadets on leaving the Royal Naval College, Osborne.

3. The Examination will be conducted, near the end of each Term, at the Royal Naval College, Osborne, and will include tests in practical knowledge of the use of tools and workshop processes as well as papers on the subjects dealt with in the Osborne curriculum.

The Candidate, if successful, will be admitted to the Royal Naval College, Dartmouth, from the beginning of the term in January, May, or September following the examination.

4. Each Candidate must possess the following qualifications—

5. The following certificates must be forwarded at the time the candidate is nominated—

(*a.*)	Certificate of birth.	
(*b.*)	Do.	conduct.
(*c.*)	Do.	ability to swim.
(*d.*)	Do.	time served in training ship.

7. Cadets entering under these regulations will be subject in all respects to the same discipline and conditions of service as other Cadets during their period of training at the R.N. College, Dartmouth, and will be liable to removal for the same causes.

On passing out, they will be treated in the same manner as the other Cadets, and will rank according to the time gained and their position on the list.

By command of their Lordships,

Admiralty, 28*th Feb.*, 1905. EVAN MACGREGOR.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following points may be submitted as those upon which Candidates will, previous to entry, be physically examined at the Admiralty.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical Examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eyelids. Full normal vision is required as determined by Snellen's tests, each eye being separately examined, for all Candidates for appointments in the executive or engineer branches, and for the Royal Marines.* Full normal vision is not required for Candidates for other branches of the Royal Navy, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and each case will be specially considered on its merits.

5. Impaired hearing, or discharge from one or both ears, or any disease of the external, middle, or internal ears.

6. Disease of the bones of the nose, or of its cartilages, nasal polypus or disease of the naso-pharynx.

* Under present regulations candidates for the Royal Marines are examined by an Army Medical Board, and must conform to the Army Medical Regulations. When the direct entry of candidates into the Royal Marines ceases, all candidates will come under the above regulations.

7. Disease of the throat, tongue, palate, or tonsils; many unsound teeth,† unhealthy gums, disease of the glands of the throat or neck, external cicatrices, if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, phthisis, hæmoptysis, bronchitis, asthma, dyspnœa, aphonia, chronic cough, or any symptom of lung disease or tendency thereto.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

† *i.e.*—Seven teeth defective or deficient in persons under 17 years of age on the date of entry, ten defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors on both sides. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

10. The existence of any defect of the genital organs, or of varicocele.

11. Any disease of the stomach or bowels.

12. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the legs. Bunions, distortion or malformation of the hands, feet, fingers, or toes.

13. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person will be admitted into His Majesty's Service unless he has had small pox, or has been vaccinated. Before joining he must produce a certificate of having been re-vaccinated since infancy.

It is requested that in the case of a nominated candidate, should the preliminary private examination make it apparent that he is not likely to pass the subsequent official physical examination, the Admiralty may be informed of the fact without delay.

6. No candidate will be entered who does not obtain a minimum of 40 per cent. of marks in the mathematical subjects, and 45 per cent. of marks in Seamanship; failure to reach this standard will entail the penalty of exclusion from the Royal Navy. Those who are confirmed as Cadets will be granted one month's time for very good conduct whilst in the "Conway" or "Worcester," and they will also be allowed to count any time to which they may be entitled under the "Britannia" Regulations for their examination in mathematics, extra subjects and seamanship.

7. All candidates will be required to pass the medical examination (for the Navy), according to the prescribed regulations. Rejection at such examination will finally exclude from the Navy.

(*b.*) Not more than six Candidates, according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy, and are to be certified by the governing body proposing them as duly qualified according to the regulations in force for the entry of Candidates.

In cases of Colonial nominations, registration of professional qualifications, as required by Clause 2 of these Regulations, may be deferred until after the arrival in England of a Candidate who has been passed on the Station,—but a commission as Surgeon will not be granted until the Certificate of the Registrar of the Medical Council has been produced at the Medical Department of the Navy.

Candidates from schools at home will be required to pass a physical examination in London, which will be arranged for by the Medical Director-General. Colonial Candidates will have to pass a physical and test examination before a Board of Naval Medical Officers on the station.

9. Successful Candidates, immediately after passing the examination, will receive commissions as Surgeons in the Royal Navy, and will undergo a course of practical instruction in Naval Hygiene, &c., at Haslar Hospital.

Three prizes of the approximate value of 10*l* each will be awarded at the close of each session at Haslar to the students who have shown the greatest proficiency.

10. A fee of 1*l*. will have to be paid by each Candidate to entitle him to take part in the competition.

12. Every Medical Officer will be required to undergo a post graduate course of three months' duration at a Metropolitan Hospital once in every eight years (should the exigencies of the Service permit), and this as far as possible during his surgeon's, staff surgeon's, and fleet surgeon's period of service. While carrying out this course the Medical Officer will be borne on the books of a ship for full pay, and will be granted lodging and provision allowances and travelling expenses as for service under the Regulations to and from his home or Port. The fees for each course (not exceeding £25 will be paid by the Admiralty on the production of the necessary vouchers at the end of the course. Promotion.

* * * * * *

The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and those at the conclusion of the Haslar course, and their names will then be placed in the Official Navy List, except in the case of Candidates who hold, or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital. These Candidates will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over they will join the next Haslar Course and will be required to obtain qualifying marks. Surgeons entered without competition* will take seniority next after the last surgeon entered at the same time by competition.

* See Clause 8 of the Regulations for Entry.

The examination for promotion to the rank of Staff Surgeon will be held by the Examining Board, to which a Naval Medical Officer will be attached to conduct the examination in Naval Hygiene. The subjects of examination will be in writing, and will include :—

Medicine.
Surgery.
Pathology.
General Hygiene.
Naval Hygiene.

Earlier promotion to the rank of Staff-Surgeon may be granted to those Surgeons who, before entry, have held the post of House Surgeon to a civil hospital of not less than 100 beds for a period of not less than six months, provided their conduct and professional abilities have been favourably reported on during the time they have served in the Navy. They may be granted from six months' to one year's seniority, according to the time they have held their civil appointments as House Surgeon, but in no case will more than one year's seniority be granted.

This only applies to officers who enter by competition.

A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment will also be decided by the Medical Director-General.

The special attention of Candidates is directed to the rules under which Officers are allowed to withdraw from the Service with a gratuity of £500 after 4 years' full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers (see p. 942*a*).

The remaining paragraphs refer to the pay, retirement, &c., of officers, information respecting which is to be found in the Navy List, under the Tables of Full and Half Pay, and under the rules for retirement, &c., of officers. Copies of the Regulations will be furnished to Candidates on application.

7. Colonial and Service Candidates will be required to attain in Class I. the same qualifying standard as that expected of the Candidates who attend the competitive Examination.

8. Candidates will be informed by letter from the Civil Service Commission of the result of their Examination: except in the case of the Colonial Candidates residing abroad, who will be informed by telegram from the Admiralty so as to enable them to join the Training College at Devonport as soon as possible after they have been found medically fit.

9. The number of appointments to be made in each year will be fixed by their Lordships. The successful Candidates will be entered as Probationary Engineer Cadets in H.M. Navy, and will be borne on the books of the Depôt Ship at Devonport for disciplinary purposes. The full period of training will be for five years, but able and industrious Engineer Cadets may complete the course and pass out at the end of their fourth year.

10. The Parent or Guardian of each Probationary Cadet will be required to pay the sum of 75*l.* per annum.

A limited number of studentships of 35*l.* each per annum will be given to those candidates who are most successful in the examination for entrance to the College, thereby reducing the annual payment in the case of any such student to 40*l.*

These Studentships will be granted only to Candidates who are medically fit and who will bind themselves to compete for commissions at the end of the period of training or to enter the Corps of Naval Constructors.

It will further be at the discretion of the Lords Commissioners of the Admiralty to select from the candidates entered at each yearly examination, a number not to exceed five, being sons of Officers of the Navy, Army, or Royal Marines, or of Civil Servants under the Board of Admiralty, with respect to whom the annual payment will be 25*l.* only. Their Lordships also reserve this power to further reduce this latter sum in the case of sons of Officers *killed or drowned, or who have otherwise lost their lives on Service.* In making their selection, my Lords will have regard solely to the pecuniary circumstances of the Parents or Guardians of the Cadets.

Probationary Cadets paying the full fee of 75*l.* per annum, are under no obligation to enter the Service.

This paragraph only applies to Probationary Cadets examined in March, 1905, or after that date.

11. The payments of fees are to be made in advance, to the Cashier of H.M. Dockyard, at Devonport; in three equal instalments, viz., on 1st January, 1st May, and 1st September.

12. The Parents or Guardians will also be required to provide the Uniform or other Clothing, Washing, and Personal Necessaries of the Cadet. Medical Attendance will be provided by the Admiralty.

13. The Cadets will reside during their course of training in the R.N. Engineering College at Devonport, where they will be boarded free of charge.

14. The weekly pay of Cadets will be as follows provided they are well reported on by the officers:—

First Year	One Shilling	a week.
Second ,, ...	Two Shillings	
Third ,, ...	Three ,,

Christmas	18 working days.
Easter	,,

16. Every Cadet on first joining, or on returning to the College after the vacations, will be required to produce a health certificate—signed by his Parent or Guardian, not earlier than the day before his return to the College—to the effect that, so far as is known to his Parent or Guardian, he has not for at least three weeks immediately preceding his first joining, or during the vacation, been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary form, will be sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return to the College, will entail his being isolated until the certificate is received.

17. The Cadets will draw pay while on leave.

When absent on account of injuries or sickness from causes beyond their own control they will not be deprived of pay until such absence amounts to six months in the aggregate during any period of twelve months, at the expiration of which time a special report is to be made to their Lordships.

18. The Cadets will be under the supervision of the Captain of the College and a Staff of Officers acting under the orders of the Commander-in-Chief and will be subject to such rules and regulations as their Lordships may deem necessary.

19. During their course of training, the Cadets will receive instruction according to a prescribed course of theoretical and practical subjects, in addition to the training in the Workshops, and Drawing Offices of the Dockyard and Factory and on board ships so as to enable them to acquire the necessary knowledge to qualify them for performing the duties of a Naval Engineer.

While the Cadets are being instructed in Shipbuilding they will be under the direction of the Chief Constructor.

20. Those Cadets who fail to make satisfactory progress, or are guilty of persistent misconduct, will be discharged.

It is to be distinctly understood that the period of training in the College is a time of probation, and the parent or guardian of every Cadet must understand that it is a condition of such Cadet joining that he shall be immediately withdrawn on the receipt of an official intimation requiring such withdrawal, or in the event of the Cadet not obtaining a Commission at the end of his training. Such a request for withdrawal may be made for reasons of health or physique.

In the event of serious misconduct on the part of Senior Cadets, which may not be of such a nature as to entail dismissal, their appointments as Engineer Sub-Lieutenants will be withheld for such period as may be considered necessary, after passing for this rank, on the completion of their period of training. During this period they will be employed in the Workshops only, and their conduct will be reported to the Admiralty quarterly.

21. The Probationary Engineer Cadets will be examined every summer in the work of the previous year in accordance with the following schedule, which is subject to modifications:—

22. A Cadet who in any year fails to pass a satisfactory standard will be dismissed unless reasons satisfactory to their Lordships are given by the College Authorities for his retention.

23. No Cadet can obtain his commission as Engineer Sub Lieutenant until he has satisfactorily completed his workmanship course and has passed the Examination held by the Reserve Officers.

24. Cadets showing special fitness may, on the recommendation of the Director of Naval Education, be selected to proceed to the Royal Naval College, Greenwich, for a further course of instruction

25. The class of certificate awarded to those Cadets who proceed to Greenwich will be determined by the result of their subsequent examinations there.

26. In the case of those Cadets who do not succeed in passing for Greenwich the Order of Merit and class of Certificate will be determined by the sum total of the marks gained when passing the four annual Examinations.

27. The standards of marks required for passing and for certificates are subject to reasonable discretion on the part of the examining authority. Subject to this, the standard for obtaining a Second Class Certificate will be 40 per cent. on the sum total in each Group.

The standard for a Third Class Certificate will be 30 per cent. on the sum total in each Group.

29. Intermediate Examinations will be held in December, at which Cadets will be required to show satisfactory progress.

30. The Final Examination of Cadets in Professional Subjects and knowledge of engine-room duties will be held by the officers of the Reserve in time for Certificates to be forwarded to the Admiralty by the 9th of June. Certificates of proficiency in Practical Workmanship, from the Chief Engineer of the Dockyard, will also be forwarded by the same date.

These practical Certificates from Reserve and Dockyard will be marked Very Creditable, Creditable, or Ordinary, in accordance with the proficiency of the candidates.

Cadets failing to obtain these certificates are liable to dismissal, but they may be allowed to serve such further period, not exceeding one year, as may be determined upon, and again submit themselves for examination.

Cadets who receive Very Creditable Certificates both from the Chief Engineer of the Dockyard and the Reserve Officers will be allowed three months' time towards promotion.

This will be in addition to any time which may be gained under paragraph 27, but subject to the condition that in no case can the total time gained under these Regulations, and by the holding of a First Class Professional Certificate at the Royal Naval College, exceed two years.

31. Cadets will not be entered as Engineer Sub-Lieutenants until they have learned to swim.

32. Cadets who have qualified for the further course of instruction at the Royal Naval College will proceed there on or about the 1st of October following their examination.

In the event of the conduct or qualifications of any Engineer Sub Lieutenants being reported not satisfactory, his promotion to Engineer Lieutenant will be withheld for six months, or for such other period as may be considered desirable.

33. A few Engineer Sub Lieutenants may be selected annually from those who take the highest place at the examination at the end of the first session at the Royal Naval College, Greenwich to pass through a further course of instruction during a second session. On the examination at the end of the second session two or more Engineer Sub-Lieutenants may be selected to pass through a third and final session. Engineer Sub-Lieutenants or Lieutenants who complete three sessions at the College will be considered eligible to fill vacancies occurring in the civil appointments at the Dockyards and at the Admiralty, after they have served for three years in a seagoing ship.

34. NOTE.—*The entry of Cadets for the Royal Corps of Naval Constructors is suspended.*

These Naval Construction Cadets, on appointment must join with their parents or guardians in a bond for 500*l.* to enter, if required, into His Majesty's Service as Assistant Constructors, if at the expiration of their training they should obtain Certificates of good conduct and efficiency for entry in that capacity. They will continue to be under Naval discipline until their entry as Assistant Constructors.

2. They will generally complete five years' service at the Royal Naval Engineering College, but those Cadets showing special ability may, with the concurrence of the Director of Naval Education and Director of Naval Construction, proceed to the Royal Naval College, Greenwich, at the end of their fourth year of training, and during that time will be subject to the same conditions as to discipline, fees, pay, uniform, and other details as may be prescribed for Probationary Engineer Cadets. Their course of instruction will be laid down from time to time.

3. On passing satisfactorily from the Royal Naval Engineering College at Devonport they will be eligible for entry as Probationary Assistant Constructors on the 1st July of the year of examination, and if appointed they will proceed to the Royal Naval College, Greenwich, on the 1st October following for further study. Those who fail to pass satisfactorily will be liable to be discharged, or otherwise dealt with, as may be determined by their Lordships.

4. The pay, discipline, &c., of the Probationary Assistant Constructors until the completion of their training at the Royal Naval College, Greenwich, will be the same as that of the Engineer Officers of the same service.

5. While at the College, Probationary Assistant Constructors will be required to wear a suitable uniform.

6. Probationary Assistant Constructors who obtain First or Second Class Professional Certificates on their final examination at the Royal Naval College will be confirmed in the Corps of Naval Constructors as Assistant Constructors. Any Assistant Constructor appointed for service at sea shall during such service, be paid at the rate of 10*s.* 6*d.* per day, and have the rank of Engineer Sub-Lieutenant, and in all respects the same privileges.

He shall be paid a gratuity of 50*l.* for uniform and outfit.

9. Assistant Constructors will serve for two years on probation at the minimum salary, but those who obtain not less than 75 per cent. of the marks at the final examination may be recommended for confirmation and may receive an increment at the end of one year's service.

10. Promotion will be by selection in all grades of the Corps, and in this their Lordships will be guided solely by consideration of special fitness for the vacant appointments. To mark this unmistakably, the names of the gentlemen belonging to the Corps will be arranged in alphabetical order in their respective classes. Annual reports on the Assistant Constructors will be made by the Chief Constructors of the Yards and forwarded by the Superintendents to the Admiralty.

Candidates must be the sons of British subjects, and between the ages of 15 and 16 years on the 1st January for entry in January (*vide* paragraph 6), 1st May for entry in the August following (*vide* paragraphs 3 4 and 6.)

2. Every Candidate entered must be in good health and of sound constitution, and be free, as far as can be ascertained, from any disease or defect that would unfit him for the duties of an Artificer in the Royal Navy. His hearing must be unimpaired, and the sight of both eyes must be sufficiently good for the performance of any work that may be required of him.

Candidates will be medically examined at the Admiralty, 7, Whitehall Place, London, or at a Naval Port or Establishment, or Recruiting Office or on board one of His Majesty's Ships, which will be selected by the Admiralty as near as possible to their place of residence. All Candidates who at the time of their Medical Examination cannot produce certificates to the satisfaction of the Examining Officers that they have been re-vaccinated must be re-vaccinated before they can be considered eligible for entry.

3. Entries will be partly from successful Candidates at an open competitive examination held in May each year, (*for entry in the August following*) which will be conducted by the Civil Service Commissioners at the same time and in the same manner as the examination for Dockyard apprentices. Candidates who fail to obtain appointments as Boy Artificers at this examination will be permitted according to their position on the list, to select any other post included in the scheme of examination, for which they are eligible.

4. A limited number of nominated Candidates, not exceeding 15 annually, will be entered in August after passing a qualifying examination in the subjects laid down for competitive Candidates. The nominations will be made by the Lords Commissioners of the Admiralty on the recommendation of the Admirals commanding the Home Ports (including Haulbowline) and Fleets, and Stations abroad, the Admiral Commanding Coast Guard and Reserves, and the Superintendent Greenwich Hospital School.

5. The nominated Candidates will be selected from the sons of Warrant, Chief and 1st Class Petty Officers of the Royal Navy, and Warrant Officers, and Non-Commissioned Officers of or above the rank of Sergeant, of the Royal Marines, and Skilled Artisans of the Dockyards, not below the rank of Chargeman.

6. Candidates, whose educational attainments should not be below those of successful candidates for entry by open competition, are also entered in January and August on the nomination of the Educational Authorities of certain large towns and districts in the United Kingdom. These nominees are entered without examination, provided they are found physically fit for entry into the Royal Navy.

7. The List of Candidates for appointments by open competition is kept at the office of the Civil Service Commissioners. All applications for the Forms to be filled up by persons who wish to compete must be sent to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st February in each year, and care must be taken that the Forms when filled up reach the Civil Service Commissioners on or before the 15th April following (or, if that date should fall upon a Sunday or public holiday, then on or before the first day thereafter, on which their office is open), as no notice will be taken of forms received after that date.

Evidence of age and character will not be required before the examination, but successful Candidates will not be eligible for appointment unless they satisfy the Civil Service Commissioners on these points.

8. Successful Candidates will be required to pass a Medical Examination as soon as possible after the result of the Educational Examination is known.

The Educational examination held by the Civil Service Commissioners takes place in London, as well as at the several Dockyards, in the month of May in each year. The exact date may be ascertained by application to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st February in each year. A fee of 2s. will be required from each Candidate attending the examination.

The subjects of examination are the same as those for Dockyard Apprentices. (See below.)

Consent of Parent on Entry.

A successful Candidate on entering as Boy Artificer must produce the consent in writing of his parent or guardian or nearest relative to his entering the Royal Navy and engaging to serve for 12 years' continuous service from the age of 18.

Conditions of Service under Training.

On entry Boy Artificers will be credited with allowances calculated generally to meet the cost of obtaining their kit, and will be placed on the books of H.M.S. "Tenedos" at Chatham for H.M.S. "Fisgard" at Portsmouth, where they will be attached for training. During their training Boy Artificers will be berthed and victualled in these Ships, and will be subject in all respects to Naval Discipline. Under certain conditions and at the request of their parents or guardians living in the immediate neighbourhood, Boy Artificers will be allowed leave to stay at their homes on alternate Saturdays and Sundays.

To Boys proceeding on leave, return tickets covering the period of leave, are issued at reduced fares by the railway authorities.

Selection of Trade.

Boy Artificers will be permitted to select, subject to the requirements of His Majesty's Service, which of the four trades of Fitter, Boilermaker, Engine Smith, or Coppersmith, they will follow. The selection will be made among the Boy Artificers at each Port independently, and not from the combined list. Opportunities will, however, be afforded them of obtaining an insight into the trades they do not select and also for making working sketches, so as to fit them to carry out all the duties of an Engine-Room Artificer in His Majesty's Navy.

Education and Training.

Boy Artificers will receive School instruction in Practical Mathematics, English, Elementary Science, Mechanics, Heat and the Steam Engine, Hydraulic Machinery, &c. They will also undergo a course of physical training.

The duration of the technical training will be about four years, of which three-and-a half years will be in the workshops and six months in the vessels of the Reserves, at the end of which time Boy Artificers will be required to undergo a technical examination. On passing, they will be sent to seagoing ships, on the Home Station, with the rating of Engine-Room Artificer, 5th Class, for one year's practical sea training. After this training, but not before reaching the age of 21 years, they will be eligible to pass the examination for the rating of Acting Engine-Room Artificer, 4th Class, (Chief Petty Officers' rating) when they will be treated generally as other Engine-Room Artificers of His Majesty's Navy.

The following are the daily rates of pay allowed to Boy Artificers, each rate being for seven days a week:—

First year	6d.
Second year	7d.
Third year	8d.
Fourth year	9d.

On being rated:—

Engine-Room Artificer 5th Class	3s. 0d.
Acting Engine-Room Artificer, 4th Class	5s. 6d.

The advancement from one rate of pay to the next above will be dependent on Good Conduct and Ability, but Boy Artificers must serve one complete year at one rate before they are eligible to receive the next rate of pay.

The pay and prospects of Engine Room Artificers, 4th Class entered under this system will be the same as for Engine-Room Artificers entered direct from the shore

Further details respecting the entry and training of Boy Artificers in the Royal Navy are given in the special regulations, published separately, which may be obtained on application to the Secretary to the Admiralty, Whitehall, London, S.W.

For simplicity all classes are shown as doing Gunnery, Torpedo, and Pilotage in that rotation. The time-table will not be affected if a class splits up into sections after the Part I. examination and divides among these three subjects.

The courses are shown as ceasing from 1st July to 1st September on account of manœuvres and leave.

The courses recommence on 5th January, after the Christmas leave.

The Easter leave is shown as 14 days, to be taken when convenient, and not necessarily according to the fall of Easter Day.

PENSIONS to WIDOWS of OFFICERS and COMPASSIONATE ALLOWANCES to CHILDREN only to be granted in future when the marriages take place during the time the Officers are borne on the Active List. Time spent by Officers on the Retired List not to reckon towards increase of pension rights.

No. 77.—C.
At the Court at Windsor,
The 10th day of November 1886.
Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 5th day of November 1886, in the words following, viz.:—

"Whereas we have had under our consideration the question of continuing to grant Pensions to the Widows of Officers of Your Majesty's Navy, and Compassionate Allowances to their children, in cases in which the marriages take place after the retirement of the Officers from the Active List.

"And whereas we are of opinion that the Regulations in regard to the privileges in question should be modified.

"We do therefore beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to direct, as regards future marriages of Naval Officers, that the Widows and Children of the officers in question shall not be eligible for the grant of Pensions and Compassionate Allowances unless the marriages take place during the time Officers are borne on the Active List. This Regulation to apply only to Officers now on the Active List, or who may be placed thereon subsequently to the date thereof, and in no way to affect the claims in respect of Officers already retired."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 5th day of November 1886, in the words following, viz.:—

"Whereas we have had under our consideration the regulations governing the Award of Pensions to Widows of Officers of Your Majesty's Navy and Compassionate Allowances to their children.

"And whereas We are humbly of opinion that time spent by such Officers on the Retired List should not be operative either for creating or for increasing pension rights.

"We do therefore beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to direct that Art. 2067 of the Regulations for the government of Your Majesty's Navy shall be modified so that, as regards future marriages, Service on the Active List only shall reckon as qualifying time for the privileges in question. The alterations in question to apply only in respect of Officers now on the Active List or placed thereon subsequently to the date hereof; and in no way to affect the claims in respect of Officers already retired.

"We would, however, recommend that Your Majesty will be pleased to provide that the special rate of pension applicable to the rank of Paymaster-in-Chief may still be awarded to Widows of those Officers, the rank of Paymaster-in-Chief being only obtainable at the time of their retirement."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her late Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Chief Gunners, Boatswains and Carpenters, and Warrant Officers pensioned before 1st October 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign state, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886.

xi. If her husband, being a Medical Officer, should retire or withdraw upon a gratuity.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November 1886, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service on the Active List will not apply to Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

The Widow of a Commissioned Warrant Officer, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Office of a Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 3 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 2 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November 1886, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage, either before or after the 31st December, 1830, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated.—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in *Scotland*, in presence of a Magistrate, according to the Form given or a Decreet of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (i.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November 1886, whose Widows are pensioned as the Widows of Flag Officers, and (ii.) Chief Gunners, Chief Boatswains, and Chief Carpenters of one year's seniority, retired after 1st April 1896, with the honorary or relative rank of Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief who attain that rank on retirement will be awarded the same rate of Pension as widows of Paymasters-in-Chief on the Active List.

The same rate may also be awarded to the widows of Fleet Paymasters who are still on the Active List, provided that at the time of their death they have reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster-in-Chief, on retirement.

16. *Widows of Marine Officers.*

(a) Officers retired before 29 June 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the ACTIVE LIST shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(b) Officers retired after 29 June 1882.

The Widows of Marine Officers retired after 29th June 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of His Majesty's Army.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as His Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the King's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat: and persons dying of their wounds within six months shall be considered as persons slain, viz.:—

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow's posthumous children shall be considered as orphans.

Digitized by Google

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

(2) When a Medical Officer retires, or withdraws, on a gratuity, his children will have no claim to compassionate allowance.

21. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

22. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

28. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within two years after being injured, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the *ordinary* rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no *ordinary* rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

Only Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, on the *Active List* shall be eligible for the award of Good Service Pensions; but such Pensions may be granted to Flag Officers on the Retired List, Medical Officers, and to General Officers of Marines, whether on the Active, Reserved or Retired Lists; provided in the cases of Flag Officers that retirement has taken place after attaining Flag Rank, and that the Retired Pay together with the Good Service Pension shall not exceed the half-pay of an Admiral of the Fleet.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and General Officers of Royal Marines in receipt of these Pensions shall be allowed to retain them after being retired; but, in the case of Flag Officers, if the Retired Pay and Good Service Pension together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

Captains, Royal Navy, shall forfeit their Good Service Pensions on promotion to be Flag Officers on the Active List or on retirement, but in the case of Captains retained on active full pay after retirement the Good Service Pension shall cease only with full pay.

No Captain will be allowed to receive any addition to his retired pay on account of a Good Service Pension held by him upon retirement, except in case of retirement for ill-health caused by the service. In such cases Officers will receive, at the discretion of their Lordships, an addition ranging from a minimum of 50*l.* to a maximum of 150*l.*, and the increase over the minimum will be at the rate of 15*l.* for each year's service in excess of 20 years. Colonels and Lieutenant-Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be General Officers on the Active List.

Captains retired from that rank who held a Good Service Pension before the 9th December, 1903, shall be allowed to receive, in Retired Pay together with Good Service Pension, a sum not exceeding 600*l.* a year; but, should the two together exceed that sum, they will be retired on 600*l.*, relinquishing their Good Service Pension.

Lieutenant-Colonels and Colonels of Marines to be allowed to receive in Retired Pay together with Good Service Pension a sum not exceeding 600*l.* a year, but should the two together exceed that sum they will be retired on 600*l.* a year relinquishing the Good Service Pension.

Should any Flag Officers holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension; and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

A Captain shall be allowed to draw his Good Service Pension irrespective of the receipt of Full or Half Pay or Civil Salary.

A Flag Officer shall give up his Good Service Pension if he become Governor of Greenwich Hospital or Naval Aide-de-Camp to His Majesty.

A Naval Aide-de-Camp to His Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An Admiral of the Fleet on the Active List shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An officer promoted to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February 1870, Section X. para. 7, shall in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

GREENWICH HOSPITAL.

NOTE.—For Greenwich Hospital Pensions to *Officers* see p. 910.

GREENWICH HOSPITAL PENSIONS.

These Pensions are the "Age" and "Special Pensions."

They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good.

Age Pensions are given to Naval Pensioners only (*i.e.*, to Seamen, Marines, Coast Guard Naval Pensioners, Yard Craftsmen, and Riggers of Dockyard).

Age Pensions are given only to Life Pensioners.

A Naval Pensioner is eligible for the Age Pension of 5*d.* a day on attaining the age of 55, if he has been in receipt of his pension for 5 years; and for the increase of such age pension to 9*d.* a day at the age of 65, if he has been in receipt of his Naval Pension for 10 years.

The number of Pensions in force at any one time is limited, and will be determined from time to time according to the funds available for the purpose; the vacancies to be filled by those whose health renders them incapable of making any exertion towards earning a living.

These regulations are not to affect any Pensioner in receipt of an Age Pension in July, 1878, or any Pensioner who, being already in receipt of 5*d.* a day, will be eligible for the additional 4*d.* a day on attaining the age of 65.

The Deferred Pension of Marines gives no claim to the Age Pension.

Special Pensions are given, at the discretion of, and under Regulations framed by, the Admiralty, to men unable to contribute materially to their own support, and vary in amount and duration according to each man's degree of disability, and the other circumstances of his case.

They are tenable in addition to Naval and Age Pensions, subject, however, to the limits expressed in the following List:—

Class I. Naval Pensioners with Life Pensions—

If unable to maintain themselves	Pension (including Age as well as Naval Pension) made up to from 1*s.* to 1*s.*6*d.* a day.

Class II. Men who have 12 years' service, served continuously or with short intervals—

	If in receipt of Temporary Naval Pension.	If not in receipt of Naval Pension.
If unable to maintain themselves	Pension made up to from 1*s.* to 1*s.*3*d.* a day.	Pension awarded of from 9*d.* to 1*s.* day.
If able to contribute in a small degree to their own support.	9*d.* a day.	Pension awarded of from 6*d.* to 9*d.* a day.

Classes III. and IV. Men who have *not less than* 5 *years'* service counting towards pension, and who have been discharged or invalided on account of disease or wounds and whose disability is clearly the result of such disease or wounds.

Men who have been discharged or invalided on account of disease or wounds *clearly attributable* to the service, and whose present disability is clearly the result of such disease or wounds—

	If in receipt of Temporary Pensions.	If not in receipt of Naval Pensions.
When unable to maintain themselves	Pension made up to from 1*s.* to 1*s.*3*d.* a day.	Pension awarded from 9*d.* to 1*s.* a day.
If able to contribute in a small degree to their own support	Nil.	Pension awarded of 6*d.* a day.

Class V. Special cases, including—

Men who have been granted a war medal or clasp; or who were employed in the Franklin Search Expedition; or who were injured on duty, or who contributed to the funds of Greenwich Hospital before 1 January 1830—

If unable to maintain themselves	Pension awarded from 1*s.* to 1*s.*3*d.* a day.
If able to contribute in a small degree to their own support	Pension awarded of 6*d.* to 9*d.* a day.

In cases of exceptional need, or distress special Pensions in excess of the above rates may be granted within a maximum of 2*s.* 6*d.* a day

---

Men discharged for venereal complaints, unless they are life pensioners, or whose general character has been inferior to "good," or who were discharged in good health with less than 12 years' service, unless they come under Class V., are ineligible for Special Pensions, as are men in workhouses, unless removed by their friends.

Men eligible for the benefits of Greenwich Hospital may be admitted to Hospitals when their cases require treatment, or may be granted a special allowance (not to exceed, however, including all other pensions 2*s.* 6*d.* a day) in lieu of treatment.

3. British merchant ships in receipt of Admiralty Subvention will be allowed to fly the Blue Ensign under Admiralty Warrant.

4. In order to ascertain that the above conditions are strictly carried out, the Captain of one of His Majesty's Ships meeting a ship carrying the Blue Ensign may send an Officer, not below the rank of Lieutenant, on board at any convenient opportunity, but this restriction as to the rank of the Boarding Officer is in no way to limit or otherwise affect the authority or the duties of Naval Officers either under the Merchant Shipping Act or in time of War.

5. Applications for permission to hoist the Blue Ensign on board British Merchant Ships in receipt of Admiralty Subvention should be made direct to the Admiralty by the owners; for other Merchant Ships the application should be made through the Registrar General.

XVI.—*Crews of Hired Vessels.*

(50.) The Lords Commissioners of the Admiralty have power to grant temporary Acting Commissions and Acting Appointments in the Royal Naval Reserve to Officers who volunteer to serve in hired vessels in time of emergency or otherwise.

XVII.—*Assistant Paymasters for Service in the Royal Navy, under Order in Council of 7th March*, 1904.

(51.) Under the authority of the "Royal Naval Reserve Officers Act, 1863" (26 & 27 Vict. c. 69.), as amended by Act 35 & 36 Vict. c. 73, the Lords Commissioners of the Admiralty have formed a Reserve of Accountant Officers for service in the Royal Navy in emergencies.

2. It will consist of a certain number of Assistant Paymasters who will be granted commissions as Officers of the Royal Naval Reserve under the existing regulations respecting R.N.R. Officers, so far as they are applicable to their case.

3. They will be required to undergo training in Accountant duties in time of peace, and will be liable to be called out by Royal Proclamation for service in the Fleet in any national emergency, and to continue serving during the continuance of such emergency.

(52.) To be eligible for a commission as Assistant Paymaster, R.N.R., candidates must be between 21 and 30 years of age, with a good knowledge of, and at least three years' experience in, the keeping of accounts. They will be required to produce thoroughly satisfactory testimonials from the firms in which they are employed, and to present themselves before a Board of Selection at the Admiralty.

2. Every candidate will be required to pass a medical examination before the Medical Director-General of the Navy; he must be in good health, well-developed and active, free from any physical defect of body, impediment of speech, defect of hearing, or serious defect of sight, and also from any predisposition to constitutional or hereditary disease or weakness of any kind. The case of a short sighted candidate, in other respects fit, will be specially considered on its merits.

(53.) Candidates for Assistant Paymasters who pass the medical examination and are provisionally accepted by the Board of Selection will be required to attend a preliminary course of instruction in the evenings, for at least a fortnight, and if satisfactorily reported on by the Instructing Officer, they will be given an appointment as Acting Assistant Paymaster, R.N.R.

2. This preliminary instruction will be followed by training on board one of H.M. ships on the Home Station for a minimum period of 14 days and a maximum of one month, to be repeated for three years, or until they pass an examination and are reported qualified for confirmation in their rank. The course of instruction will include the practical duties of Accountant Officers in regard to Naval Accounts and payments, and in regard to the receipt, issue, care, and preservation of provisions, clothing, and other stores on board H.M. ships.

3. Any Acting Officer, who, after three yearly courses of instruction, may not be found fully suitable in every respect to hold a Commission, will not be confirmed in the rank, but will cease to belong to the Reserve.

4. The convenience of the firms will be studied in arranging the dates of embarkation, but it is very desirable that the first period of training in the Fleet should be as long as possible.

(54.) Whilst embarked, every opportunity should be taken of fully instructing them in the practical duties of Assistant Paymasters, and with this object they should be regarded as forming part of the staff of the Paymaster.

2. It is to be understood that, whilst the minimum period of training has been fixed at a fortnight, and the maximum at a month, each year, these Officers must be discharged in time to enable them to keep their engagements with their employers. Railway passes may be given to them either to London or to any not more distant place and the usual travelling expenses may be paid to them.

3. At the end of the course of training a report is to be made as to the progress which they have made and whether they display the qualities expected of gentlemen filling the position of Commissioned Officers in His Majesty's Fleet.

(55.) Officers will be further expected, until confirmed in their rank, to attend the evening classes of instruction for about ten days in each year; and after confirmation they will be required to keep themselves efficient either by attending classes of instruction or by further training in the Fleet, as may be practicable.

(53.) Assistant Paymasters, R.N.R., will rank with, but after, Assistant Paymasters of the Royal Navy.

2. When on duty they will wear the uniform established for Officers of the Royal Naval Reserve. If called out for service in emergency they will be granted the sum of 30*l.* for equipment. Before embarking for training they will be expected to provide themselves with a Duty Undress and a Mess Undress. The provision of any further articles of uniform for occasions of ceremony will be optional.

3. They are authorised to wear uniform when serving in H.M. Ships and on State occasions.

4. They will mess in the Wardroom, paying the ordinary mess subscription of 2s. a day and other small expenses.

(57.) When called out by Royal Proclamation for service in the Fleet, or when embarking for training, they will serve under the provisions of the Naval Discipline Act, and they will receive a daily rate of pay of 10s.

(58.) No money allowance will be granted to Officers attending classes of instruction. Travelling expenses to and from the port of embarkation for training will be paid by the Admiralty.

2. Classes of instruction are held in the evening at the Admiralty, Whitehall.

(59.) Assistant Paymasters, R.N.R., will, except when called out in emergency, be permitted to tender the resignation of their Commissions at any time. They will be liable to forfeit their Commissions should the Admiralty for any reason have no further need of their services.

2. Officers who leave the Active List for any reason before the completion of 10 years' service are liable to be called upon to resign their Commissions.

3. On reaching the age of 40, or at their own request at 35, Officers who have been confirmed in their rank and who have served not less than 10 years in the Reserve, will be placed on a retired list of Assistant Paymasters R.N.R., at the discretion of the Admiralty.

4. Assistant Paymasters, R.N.R., placed on the retired list may, under exceptional circumstances, be granted a step in rank at the discretion of the Admiralty.

(60.) Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst under training in the Fleet, will receive compensation in accordance with the scale applicable in the case of Assistant Paymasters of six years' seniority in the Royal Navy. If they are killed in action, or die from accident resulting from the performance of their duty, their widows and children will similarly receive allowances in conformity with the regulations.

(61.) When Assistant Paymasters, R.N.R., are embarked for training, bedding, &c., as laid down in the Regulations, may be drawn for them.

It is ordained that the Military Division of the Third class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, of or above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, of or above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army, or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action against the enemy, in the command of a ship of war, or of our troops, or at the head of a Military Department, or as having by some Active Service, under his immediate conduct and direction, contributed to the success of any such action provided, nevertheless, and We do hereby declare that this last-mentioned regulation shall not be applicable to Commissariat and Medical Officers, and instead thereof, We further declare, that no Commissariat or Medical Officer shall be competent to be an ordinary member of the Military Division of the Second and Third Classes of the said Order unless it shall appear to us that by his meritorious services in actual war, in providing for the wants of our Army, or of our Indian Military Forces, or in taking care of the sick and wounded Officers, Soldiers, and Seamen of our Army and Navy, or of our Indian Military and Naval Forces he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS.

Under the Regulations dated August 1885 *and June* 1898, *as modified by subsequent Orders.*

1. No Subject of His Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained His Majesty's permission to that effect, signified by a Warrant under His Royal Sign-Manual.

2. "Unless the Foreign Decoration shall have been conferred in consequence of active and distinguished Service, either at Sea or in the Field, such permission will not be given to any Subject of His Majesty, except in the following cases, if recommended specially by the Secretary of State for Foreign Affairs:—

"*(a)* The Chief of a Complimentary Mission from His Majesty.

"*(b)* A Military or Naval Attaché on the termination of his Appointment.

"*(c)* Any person, not at the time in the Service of His Majesty, who has rendered valuable service to the Sovereign bestowing the order outside His Majesty's Dominions, or in an Embassy or Legation of that Sovereign in this country."

2a. When a Foreign Decoration is conferred upon a Naval or Military Attache on the termination of his appointment, he shall only wear it when in the presence of the King, or other Members of the Royal Family, or of the Foreign Sovereign bestowing the Order, or where the recipient shall meet at any public function, in full uniform, an Officer of the Country to which the Decoration belongs.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of His Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, His Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from Naval or Military Services before the Enemy, refer it to His Majesty's Principal Secretary of State for the War Department, previously to taking His Majesty's pleasure thereupon, in order to ascertain whether there be any objection to His Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that His Majesty's license and permission does not authorize the assumption of any style appellation, rank, precedence, or privilege appertain to a Knight Bachelor of His Majesty's Realms.

9. When a British subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a Higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by His Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the Decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or Navy, should be addressed to the Commander-in-Chief, or the Lords of the Admiralty, as the case may be, who, if they see fit, may submit the same for His Majesty's sanction; upon obtaining which they may grant such permission without other formality.

2. Any other British subject, having obtained His Majesty's permission, is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept

Firstly.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll bearing this inscription "For Valour"

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficien claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore

Digitized by Google

commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to, shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

*Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

*Under Her late Majesty's Order in Council of the 2nd of February, 1899, their Lordships are authorised to increase the ordinary Victoria Cross Annuity of Ten Pounds, by a sum not exceeding Forty Pounds a year, in any case in which a Warrant Officer, Petty Officer, Seaman or Marine, who has gained the Victoria Cross, may be found by them to be, from old age or infirmity, not due to his own fault, in poor circumstances, and unable to earn a living; provided that the Annuity, together with any Pensions of which he may be in receipt from Public Funds, shall not exceed Fifty Pounds a year."

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is Our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 23rd day of April 1881, in the 44th year of Our Reign.

By Her Majesty's command,

HUGH C. E. CHILDERS.

THE ROYAL RED CROSS.

VICTORIA R.

WHEREAS We have been pleased to take into Our consideration the services rendered by certain persons in nursing the sick and wounded of Our Army and Navy, and have resolved specially to recognise individual instances of special devotion in such service; Now, for the purpose of attaining this end, We have instituted, constituted, and created, and by these presents for Us, Our Heirs and Successors, do institute, constitute, and create a decoration, to be designated as hereinafter prescribed; and We are pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—The decoration shall be styled and designated "The Royal Red Cross," and shall consist of a Cross, enamelled crimson, edged with gold, having on the Arms thereof the words Faith, Hope, Charity, with the date of the institution of the decoration; the centre having thereon Our Effigy.

On the reverse side Our Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

Secondly.—The cross shall be attached to a dark blue riband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland; also upon the Queens or Princesses of Foreign Countries who may have specially exerted themselves for the nursing of the sick and wounded of Foreign Armies and Navies.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any ladies, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War for special exertions in providing for the nursing of sick and wounded soldiers and sailors of Our Army and Navy.

Fifthly.—It shall be competent for Us, Our Heirs and Successors, to confer this decoration upon any Nursing Sisters, or other persons engaged in nursing duties whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War, or, as the case may be, by the First Lord of the Admiralty through Our said Secretary of State, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in Our Naval and Military Hospitals.

Sixthly.—The names of those upon whom we may be pleased to confer the decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Lastly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under Our Sign Manual, from the register of those upon whom the said decoration shall have been conferred.

And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Given at Our Court at *Windsor*, this eleventh day of *December*, one thousand eight hundred and ninety-seven, in the sixty-first year of Our Reign.

By Her Majesty's Command,

LANSDOWNE.

MEDALS, ANNUITIES AND GRATUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities by the Lords Commissioners of His Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Order in Council of 22nd February 1896, the grant of an Annuity may be extended at the discretion of the Lords Commissioners of the Admiralty to all recipients of this Medal, whatever their rank or rating may have been when the Medal was awarded, on their promotion to Chief or First-class Petty Officers of the Navy, or Sergeants of Royal Marines.

By Order in Council of 20th May, 1903, a Seaman or Marine holding the Conspicuous Gallantry Medal unaccompanied by an Annuity may be awarded at the discretion of the Admiralty, a gratuity of £2 on discharge at the completion of his term of active service or on being invalided from the service, or on promotion to a commission.

A Seaman, or Marine who has been awarded the Distinguished Conduct Medal for service under the War Office may be awarded, at the discretion of the Admiralty, a gratuity of the same amount, when similarly discharged from the service or promoted to commissioned rank, except when such seaman or marine may be in possession of the Naval Conspicuous Gallantry Medal accompanied by an Annuity.

DISTINGUISHED SERVICE ORDER.

VICTORIA R. & I.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, Empress of India, to all to whom these presents shall come greeting:

Whereas We have taken into Our Royal consideration that the means of adequately rewarding the distinguished services of Officers in Our Naval and Military Services who have been honourably mentioned in Despatches are limited; now for the purpose of attaining an end so desirable as that of rewarding individual instances of meritorious or distinguished service in war, We have instituted and created by these presents, for Us, Our Heirs and Successors, do institute and create a new Naval and Military Order of Distinction—to be designated as hereinafter described—which We are desirous should be highly prized by the Officers of Our Naval and Military Services, and We are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall henceforth be inviolably observed and kept;

Fifthly. It is ordained that Foreign Officers who have been associated in Naval and Military operations with Our Forces shall be eligible to be Honorary Members of this Order.

Lastly. We reserve to Ourself, Our Heirs, and Successors, full power of annulling, altering, abrogating, augmenting, interpreting, or dispensing with these Regulations or any part thereof by a notification under the Sign Manual of the Sovereign of the Order.

Given at Our Court at Balmoral, this sixth day of September, in the fiftieth year of Our Reign, and in the year of Our Lord one thousand eight hundred and eighty-six.

By Her Majesty's Command,
W. H. SMITH.

EDWARD R. & I.

EDWARD, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, Sovereign of the Distinguished Service Order, to all to whom these presents shall come, greeting.

Whereas Her late Majesty, Our Beloved Mother, Queen Victoria, by a Warrant under Her Royal Sign Manual, countersigned by one of Her Principal Secretaries of State, and bearing date at Her Court at Balmoral the sixth day of September, one thousand eight hundred and eighty-six, in the fiftieth year of Her reign, did institute and create a new naval and military order of distinction, to be styled and designated the "Distinguished Service Order."

And whereas by the said Royal Warrant it was, among other things, ordained that the said Order should rank next to, and immediately after, Our Order of the Indian Empire, and that the badge of the Order should have on the reverse Her late Majesty's Imperial and Royal Cypher, V.R.I.

And whereas We have thought fit to signify Our Royal Will and Pleasure that the said Order shall rank next to, and immediately after, Our Royal Victorian Order, and that the badge shall have on the reverse Our Imperial and Royal Cypher, E.R.I.

Now, therefore, We do, by these presents for Us, Our Heirs and Successors, ordain and appoint: Firstly, that the Distinguished Service Order shall rank next to, and immediately after, Our Royal Victorian Order, and that the companions thereof shall, in all places and assemblies whatsoever, have place and precedency next to, and immediately after, the members of Our said Royal Victorian Order, and shall rank among themselves according to the dates of their respective nominations. Secondly, that the badge of the Order, which shall consist of a gold cross, enamelled white, edged gold, having on one side thereof in the centre, within a wreath of laurel, enamelled green, the Imperial Crown in gold, upon a red enamelled ground, and on the reverse, within a similar wreath, and on a similar red ground, Our Imperial and Royal Cypher, E.R.I., shall be suspended from the left breast by a red riband, edged blue, of one inch in width

Given at Our Court at St. James's, this twenty-fourth day of July, in the second year of Our reign, and in the year of Our Lord one thousand nine hundred and two.

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day June, 1901, in the words following, viz.:—

"Whereas we are of opinion that there should exist some means of recognising Distinguished Service before the Enemy on the part of Warrant Officers or Subordinate Officers of Your Majesty's Fleet, who by reason of not holding a Commission in the Royal Navy, are not eligible for appointment to any existing Order or Decoration:

"We beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to institute a Decoration to be designated the Conspicuous Service Cross, and to consist of a Silver Cross, with the reverse side plain, but having on the obverse side in the centre Your Majesty's Imperial and Royal Cypher, E.R.I., surmounted by the Imperial Crown.

"We would beg leave to recommend to Your Majesty that this Decoration be awarded for meritorious or distinguished services before the Enemy performed by Warrant Officers, or Acting Warrant Officers, or by subordinate Officers of Your Majesty's Fleet: and that no person shall be nominated thereto unless his services shall have been marked by the especial mention of his name in despatches by the Admiral or Senior Naval or Military Officer Commanding the Squadron or detached Force.

"The award of this Decoration to carry with it the right to have the letters C.S.C., appended to the Officer's name.

"We would submit further that the names of those upon whom Your Majesty may be pleased to confer this Decoration shall be published in the London Gazette, and a registry thereof kept in the Office of the Lords Commissioners of the Admiralty."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

THE ALBERT MEDAL.

ARRANT under His Majesty's Royal Sign Manual amending and consolidating the Royal Warrants relating to the ALBERT MEDAL.

EDWARD, R. & I.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India. To all to whom these Presents shall come, Greeting:

Whereas Her late Majesty Queen Victoria, being desirous of distinguishing by some mark of Her Royal Favour the many heroic acts performed by Mariners and others who endanger their own lives in saving or endeavouring to save the lives of others from shipwrecks and other perils of the sea; and the many heroic acts performed on land by those who endanger their own lives in saving or endeavouring to save the lives of others from accidents in mines, on railways, and at fires, or other peril within Her Dominions, other than perils of the sea, did, by Warrants under the Royal Sign Manual bearing date respectively the 7th March, 1866, the 12th April, 1867, and the 30th April, 1877, institute and create for Herself, Her Heirs, and Successors, as a mark of Royal Approbation of such heroic acts, new Decorations styled respectively "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," inscribed "For Gallantry in Saving Life at Sea," and Decorations similarly styled but inscribed "For Gallantry in Saving Life on Land," which Decorations Her Majesty was desirous should be highly prized and eagerly sought after:

And whereas since the institution of these Decorations under the Warrants above mentioned, amending Warrants bearing date respectively the 13th September, 1881, the 12th March, 1891, and the 24th March, 1904, have been given under the Sign Manual, *and it is Our Pleasure still further to amend the Rules governing the award of the Decorations by abolishing the ordinance that the Medal for saving life on land shall only be awarded for acts of gallantry performed within Our Dominions*

And whereas it seems to Us expedient to consolidate the Royal Warrants relating to the said Decorations, We are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the Decorations, which Rules and Ordinances shall from henceforth be inviolably observed and kept:

I. It is ordained that the Decorations "For Gallantry in Saving Life at Sea" shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class."

II. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life at sea, shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three eighths in width, with four white longitudinal stripes.

III. It is ordained that "The Albert Medal of the Second Class," when conferred for gallantry in saving life at sea, shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a dark blue riband of an inch and three-eighths of an inch in width, with two white longitudinal stripes.

IV. It is ordained that the Medals shall only be awarded to those of Our faithful subjects and others who in saving or endeavouring to save the lives of others from shipwreck or other perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department:

Provided always that the preliminary steps and inquiry concerning the award of either Albert Medal inscribed "For Gallantry in Saving Life at Sea," shall, if the award be to any one belonging to the Royal Navy or the Royal Marines, be with the Lords Commissioners of the Admiralty, and in other cases with the President of the Board of Trade.

V. It is ordained that the names of those persons upon whom We may be pleased to confer either of the Albert Medals inscribed "For Gallantry in Saving Life at Sea," shall be published in the London Gazette, and that a Register of the names of such of these persons as belong to the Royal Navy or the Royal Marines shall be kept in the Office of the Lords Commissioners of the Admiralty and a Register of the names of the persons not belonging to the Royal Navy or the Royal Marines upon whom We may be pleased to confer either Medal inscribed as aforesaid, shall be kept in the Office of the Board of Trade.

VI. It is ordained that the Decoration for gallantry in saving lives endangered otherwise than by perils of the sea, shall be styled "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," and shall be inscribed "For Gallantry in Saving Life on Land."

VII. It is ordained that "The Albert Medal of the First Class," when conferred for gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letters V. and A., erect in gold, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

VIII. It is ordained that "The Albert Medal of the Second Class," when conferred for gallantry in saving life on land, shall consist of the like shaped enamelled badge, save and except that it shall be entirely worked in bronze, instead of gold and bronze, and shall be suspended from a crimson riband of an inch and three-eighths of an inch in width, with two white longitudinal stripes.

IX. It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the London Gazette, and that a register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department.

X. It is ordained, that the Medals shall only be awarded to those of Our faithful subjects and others who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

The following Rules and Ordinances are ordained for the government of the Decorations whether awarded for Gallantry in Saving Life at Sea, or on Land.

XI. It is ordained that "The Albert Medal of the First Class" shall be confined to cases of extreme and heroic daring, and that "The Albert Medal of the Second Class" shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve "The Albert Medal of the First Class.

XII. It is ordained that each Medal shall be suspended from the left breast.

XIII. It is ordained that any act of gallantry which is worthy of recognition by the award of the Albert Medal, but is performed by one upon whom the Decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attached to the riban by which the Medal is suspended; and for every such additional act an additional bar may be added.

XIV. In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole Judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

XV. The Warrants of the 7th March, 1866, the 12th April, 1867, the 30th April, 1877, the 13th September, 1881, the 12th March, 1891, and the 24th March, 1904, are hereby repealed.

Given at Our Court at *Saint James's*, this fifth day of *June*, one thousand nine hundred and five, in the fifth year of Our Reign.

By His Majesty's Command.

GOOD CONDUCT MEDALS AND GRATUITIES.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

718. Men holding any of the ratings specified as eligible for these awards in Appendix VI., who entered the Service prior to the 1st of January 1885, may be recommended for the Good Conduct Medal and Gratuity, under the following rules. Pensioners who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

(*a.*) He must have served for 10 years with continuous Very Good character, and must never previously have been awarded a character below Very Good, unless for a period not exceeding one year in his first five years reckoning for pension.

(*b.*) He must have been recommended for it on his Certificate for the three consecutive years immediately preceding his application.

(*c*) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. To entitle a man to a Gratuity:—

(*a.*) He must have served for 15 years with continuous Very Good character, and must never previously have been awarded a character below Very Good, unless for a period not exceeding one year in his first five years reckoning for pension.

(*b.*) He must have been awarded the Medal and have never forfeited it.

(*c.*) He must have been recommended for the Gratuity on his Certificate for the three consecutive years immediately preceding his application.

(*d.*) He must have been continuously awarded a character above Good since he received the Medal until pensioned.

(*e.*) He must be recommended for it by the Captain under whom he is serving when his pension is applied for.

4. After a man has been awarded seven years of such continuous Very Good character as will under these Regulations count towards the Medal, and should his character continue to be Very Good, the Captain will add to the character of Very Good given on his Certificate, whenever he is required to record it, the letters M. R. (Medal Recommended), should he consider him deserving thereof from his invariable Very Good conduct and Exemplary manner of performing his duties. After 12 years of such Very Good character, the Captain will in like manner add the letters G. R. (Gratuity Recommended).

5. Exemplary is in all cases to be considered as equivalent to Very Good for Medal and Gratuity purposes.

6. Should the Captain see fit to withhold the required recommendations he will record fully his reason in the Conduct Book.

No service can reckon for Medal or Gratuity which does not also reckon for pension.

8. A break in service, not due to desertion, dismissal, imprisonment, or misconduct on the man's part, will not be considered as breaking the continuity of his Very Good character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, as soon as the state of his health permits.

9. Desertion, reduction to the second class for conduct, imprisonment, or the award of character less than Good during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 10, 11, and 12.

10. Imprisonment by the Civil Power shall not prejudice a man's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man were serving at home at the time, or, if abroad, by the Commander-in-Chief.

11. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any man who can show 15 years of continuous Very Good character, and who has been recommended as prescribed in Clause 2, (*b*), of this Article, notwithstanding anything he may have done, or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

12. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

13. The scale for Gratuities shall be as follows:—

	£
Chief Petty Officers, having served as Chief and First Class Petty Officers for not less than 10 years..	20
First Class Petty Officers, having served as such for not less than 10 years ..	15
Second Class Petty Officers, having served as such for not less than seven years..	10
Leading Seamen, having served as such for not less than five years..	7
Able Seamen, and others	5

Gratuities will not be given to men who serve after being pensioned.

14. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

15. Names of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, on the established form by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the District Captains of Coast Guard, so soon as the men become eligible for them, and when the approval of the Admiralty has been received, the Medals when possible, are to be presented before the Ship's Company by the Captain of the ship. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the copies of certificate sent into Office.

16. Should the man's conduct not have been satisfactory pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

17. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

18. If it be desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

19. In the case of men in the Service before the 1st of July 1876, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under these Regulations.

20. Between the 1st of July 1876 and 30th June 1880 inclusive, Exemplary character only will reckon towards Medals and Gratuities, and not Very Good.

21. If a man die after the award of his medal, any gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent on him, provided he shall have completed time for Long Service Pension.

22. These Regulations apply to the Coast Guard Afloat and on Shore.

719. A Good Conduct Medal will be awarded to any man holding one of the ratings specified as eligible for the award in Appendix VI. who entered after the 31st of December, 1884, provided he serves for 15 years with continuous Very Good character, subject to the conditions stated in Clause 2, and provided he has been recommended for the award by his Captain, on his Certificate, for the three consecutive years immediately preceding his application, and is also recommended by the Captain under whom he is serving when he becomes eligible.

This applies to all boys who were under training, and to all boys who were under the age of 18, on the 31st December 1884.

2. Desertion and Reduction to the Second Class for Conduct (except one reduction within the first five years of a man's time, previded restoration takes place, within eight months, in consequence of continued good conduct for six months from the date of reduction, under the provisions of Clause 9 of Article 741) will render a man absolutely ineligible for the award of a Good Conduct Medal, except as provided for in the following Clause.

3. While 15 consecutive years of Very Good character, with previous character not inferior to Good, in service reckoning for Pension, will thus be necessary to entitle a man to a Good Conduct Medal, the Admiralty will nevertheless consider any recommendation which may be made, under special circumstances, on behalf of a man who can show 15 years of continuous Very Good character, although he may be disqualified under Clause 2 for the award of a Medal under the ordinary Regulations.

4. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years of such continuous Very Good character as, under these Regulations, will count towards the Medal, and should his character continue to be Very Good, the Captain, if he considers him deserving thereof, is to enter in the column provided for the purpose whenever he is required to assess the man's character on his Certificate under Article 765 the letters M. G. R. (Medal and Gratuity Recommended) in the case of a Continuous Service Man, and the letters M. R. (Medal Recommended) in the case of a Non-Continuous Service man. When the assessment is entered on the Conduct Sheet, and not on the Certificate, the letters M. G. R. or M. R. are to be entered thereon.

5. Clauses 6 to 10, and 15 to 18, inclusive of Article 718, are applicable to men who enter after the 31st of December 1884.

6. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character oe maintained, will commence earning a Gratuity at the rateof 1l. a year, not to be paid until pensioned, unless he is invalided in the meantime when he will be paid the proportion due, viz.:—

	£
If discharged after 1 year from date of award or restoration of Medal	1
" " 2 years " " "	2
" " 3 years " " "	3

and so on.

To this will be added for each year's service in the following ratings after the date of the award of the Medal:—

	£	s.	d.
Chief and 1st Class Petty Officer	2	0	0
2nd Class Petty Officer	1	0	0
Leading Seaman	0	10	0

until the maximum is reached, which will be, for a—

	£	s.	d.
Chief and 1st Class Petty Officer	15	0	0
2nd Class Petty Officer	10	0	0
Leading Seaman	7	10	0
Able Seaman	5	0	0

7. Should a man be deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz., 5l., will be awarded.

8. Should a man be awarded the character of Good, instead of Very Good, after the grant of a Medal, the period of service during which the character of Good is awarded will not count for increase of Gratuity, notwithstanding that the Medal has not been taken away.

9. In cases where men who have completed time for pension re-engage for a further period of five or seven years, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the regulations.

10. Should a man be invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service

11. Should a man die after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

12. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a Gratuity.

13. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

IV. GOOD CONDUCT MEDALS AND GRATUITIES MARINES.

1,221. Marines afloat or ashore, below the rank of Warrant Officer, enlisted prior to the 1st of January 1885, may be recommended for the Good Conduct Medal and Gratuity under the following rules. Pensioners who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a Marine to the Medal—

(a.) He must have served for ten years with continuous Very Good character, and must never previously have been awarded a character below Very Good, unless for a period not exceeding one year in his first five years reckoning for pension, provided the character for that year be not below Good.

b. He must have been recommended for it on his Certificate for the three consecutive years immediately preceding his application;

c. He must be recommended for it by the Captain or Commandant under whom he is serving when he becomes eligible.

3. To entitle a Marine to the Gratuity—

a. He must have served for 15 years with continuous Very Good character, and must never previously have been awarded a character below Very Good, unless for a period not exceeding one year in his first five years reckoning for pension provided the character for that year be not below Good

b. He must have been awarded the Medal and have never forfeited it;

c. He must have been recommended for the gratuity on his Certificate for the three consecutive years immediately preceding his application;

d. He must have been continuously awarded a character above Good from the time he received the Medal until pensioned;

e. He must be recommended for it by the Captain or Commandant under whom he is serving when his Pension is applied for.

4. After a Marine has been awarded seven years of such continuous Very Good character as under these regulations, will count towards the Medal, and should his character continue to be Very Good, the Captain or the Commandant should he consider him deserving thereof from his invariable Very Good Conduct and Exemplary manner of performing his duties, will add to the Very Good given on his Certificate, whenever he is required to record the Marine's character, the letters M.R. (Medal recommended), and after 12 years of such Very Good character, the Captain or the Commandant will, in like manner, add the letters G.R. (Gratuity recommended).

5. Whenever Exemplary is awarded it shall in all cases be understood as being equivalent to Very Good for Medal and Gratuity purposes. (See clause 27).

6. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons in the Conduct Book, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will do so in the corresponding record at the Divisional Head Quarters.

7. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

8. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his Very Good character, or of recommendations for Medal and Gratuity, provided should he be eligible for re-entry, he rejoin as soon as the state of his health will permit, and complete the required service.

9. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

10. Desertion, fraudulent enlistment, reduction to the Second Class for conduct, imprisonment, (when time and pay are forfeited) or the award of character less than Good during any portion of the time which reckons for Pension, shall render a Marine absolutely ineligible for the Medal or Gratuity, except as provided for in clauses 11, 12, and 13.

11. Imprisonment by the Civil Power shall not prejudice a Marine's claim to the Medal or Gratuity unless in the case of a Marine serving at home, it shall have been so directed by the Admiralty, or, if abroad, by the Commander-in-Chief.

12. In order not entirely to exclude from the honour of a Medal, a Marine who may have committed himself in the early part of his service reckoning for Pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any Marine who can show 15 years of continuous Very Good character, and who has been recommended as prescribed in clauses 2, sub-clause *b* and 4 of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

13. The Admiralty will also consider the case of any Marine who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded

14. A Marine to whom a Medal has been awarded may be deprived of it summarily for misconduct, by warrant, under the hand of his Captain, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or by the Commandant of Royal Marines; the deprivation is always to take place publicly, and will carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal is to be returned to the Accountant-General.

15. Should a Non-commissioned Officer holding a Good conduct Medal be reduced for misconduct he is to be absolutely deprived of his Medal.

16. Desertion, disrating for misconduct, reduction to the 2nd Class for conduct, imprisonment by the Civil Power or otherwise, or the award of a character inferior to Very Good after a Medal has been awarded, entails forfeiture of the Medal, except as provided for in the following Clause 17; but if pensioned within 12 months of his deprivation and before regaining the Medal, the man will be considered in regard to Pension as in possession of the Medal.

17. A Marine may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of the Captain or the Commandant to take away one Badge without depriving a Marine of his Medal.

Should a Badge be taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

Should the Badge be not regained within 12 months from the date of deprivation, the Medal is absolutely forfeited, and the deprivation is to take place publicly

Should two or more Badges be taken away, and not one only, or should a Marine lose a second Badge, his Medal is absolutely forfeited, and the deprivation is to take place publicly.

18. The Good Conduct Medal of a Marine which has been forfeited for misconduct under any of the foregoing clauses may be restored, with the sanction of the Admiralty, on the completion of his time for Pension, provided his character during the last five years of his service has been Very Good.

19. Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

20. The scale for Gratuities shall be as follows:—

	£
Non-commissioned Officers in Class 1, Art. 1,232, having served as Staff-Sergeants and Sergeants of Royal Marines for not less than 10 years	20
Sergeants in Classes II., III., and IV., Art. 1,232, having served as such for not less than 10 years	15
Corporals and Bombardiers, having served as such for not less than 7 years	10
Gunners, Privates, Musicians, and Buglers	5

Gratuities will not be given to Marines who serve after being pensioned.

21. In cases where the Marine recommended may not have served the full period to entitle him to the Gratuity applicable to his rank, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award him

22. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on

the established form, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Deputy Adjutant-General, as soon as the Marines become eligible for them; and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's company by the Captain of the Ship, and in the case of Marines on shore, by the Commandants on parade. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the Copies of Certificates sent into office

23. If, pending the presentation of the Medal, the Marine's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

24. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided; and that, in the event of a Marine who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he shall have completed 15 years of service reckoning for Pension, in which case he may retain it. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

25. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

26. In the case of a man who has served in the Army prior to joining the Royal Marines, and whose former (Army) service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 4.

27. In the case of Marines in the Service before the 1st July 1876, previous Very Good character will be allowed to reckon for the Medal and the Gratuity, provided their conduct has been such as to render them deserving thereof under these regulations.

28. Between the 1st July 1876 and 30th June 1880 inclusive, Exemplary Character only will reckon towards Medal and Gratuity and not Very Good.

29. If a Marine die after the award of his medal, any gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

1,222. A Good Conduct Medal will be awarded to any Marine below the rank of Warrant Officer enlisted after the 31st of December 1884, provided he serves for 15 years with continuous Very Good character, subject to the conditions stated in Clause 2, and provided he has been recommended for the award by the Captain of his Ship, or Commandant of his Division, on his Certificate, for the three consecutive years immediately preceding his application, and is also recommended by the Captain of the Ship, or Commandant of his Division, under whom he is serving when he becomes eligible.

This applies to all Marines who were under the age of 18 on the 31st December 1884.

2. Desertion and Reduction to the Second Class for Conduct (except one reduction within the first five years of man's time provided restoration take place within 8 months in consequence of continued good conduct for 6 months from the date of reduction under the provisions of Clause 9 of Art. 741) will render a man absolutely ineligible for the award of a Good Conduct Medal, except as provided for in the following clause.

3. While 15 consecutive years of Very Good character, with previous character not inferior to Good in service reckoning for Pension, will thus be necessary to entitle a Marine to a Good Conduct Medal, the Admiralty will nevertheless consider any recommendation which may be made, under special circumstances, on behalf of a Marine who can show 15 year of continuous Very Good character, although he may be disqualified under Clause 2 for the award of Medal under the ordinary regulations.

4. After a Marine has been awarded 12 years of such continuous Very Good character as will, under these Regulations, count towards the Medal, and should his character continue to be very good, the Captain of his Ship, or the Commandant of his division, should he consider him deserving thereof, is to enter in the column provided for the purpose, whenever he is required to assess the man's character on his Certificate under Art. 765, the letters M.G.R. (Medal and Gratuity Recommended).

When the assessment is entered on the Conduct Sheet, and not on the Certificate, the letters M.G.R. are to be entered thereon.

5. Clauses 6 to 11, 14 to 19, and 22 to 26, inclusive, of Art. 1,221, will be applicable to Marines who enter after the 31st of December 1884.

6. From the date of the award or restoration of a Medal, a Marine, provided his character be maintained, will commence earning a Gratuity at the rate of 1l. a year, not to be paid until pensioned, unless he be invalided in the meantime, when he will be paid the proportion due, viz.:—

		£
If discharged after 1 year from date of award or restoration of Medal		1
"	2 years " "	2
"	3 years " "	3

and so on.

To this will be added for each year's service in the following Ranks after the date of the award of the Medal:—

	£	s.	d.
Non-commissioned Officer in Class I.	2	0	0
Sergeant in Classes II., III., and IV.	1	0	0
Corporal and Bombardier - - -	0	10	0

until the maximum is reached, which will be, for a—

Non-commissioned Officer in Class I.	-	15	0	0
Sergeant in Classes II., III., and IV.	-	10	0	0
Corporal and Bombardier - - -	-	7	10	0
Gunner, Private, Musician and Bugler	-	5	0	0

7. Should a Marine be deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5l., will be awarded.

8. After the grant of a Medal, should a Marine be awarded the character of Good, instead of Very Good, the period of service during which the character of Good is awarded, will not count for increase of Gratuity, notwithstanding that the Medal has not been taken away.

9. Should a Marine be invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he is then entitled by service.

10. Should a Marine die after the award of his Medal, any Gratuity to which he may be entitled may be paid to his widow, or next of kin if dependent upon him.

11. Any Marine voluntarily quitting the Service before being entitled to a pension will not be entitled to a Gratuity.

Commissions in the rank of their last service, and bearing the date of their original seniority, are restored to all officers selected for the list.

On the restoration of their Commissions, Officers are entitled to hold the rank and to wear the uniform of their last service, but do not receive pay, pension, or promotion when not employed.

In the case of Engineer Officers, the Commissions will be issued with the titles corresponding to the rank last held on the Active List.

When called up for Active Service, Officers on this list receive the full pay of their rank, and outfit gratuities not exceeding the following amounts:—

Lieutenants and Officers of corresponding relative rank	40
Sub-Lieutenants and Officers of corresponding relative rank	30

On discharge after being called up for Active Service Officers will be granted a Bonus of 15 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List, irrespectively of whether marriage took place when on the Active List or after the resignation of Commission.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Officers of the Military Branch on this List are required to requalify in Gunnery or Torpedo from time to time, and to attend courses at Portsmouth and Devonport under the following Regulations:—

(a) The Torpedo and Gunnery Courses may be taken either in the same or different years, according to the convenience of the Officers, but neither may be gone through more often than once in three years.

(f) The Courses will be held at Portsmouth and Devonport during March and April, and October and November of each year. Officers who wish to attend should apply in writing to the Secretary of the Admiralty, stating the Port desired, at least a month before the beginning of the Course.

(g) The number of Officers in any one year will, for the present, be limited to ten at each Port.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering.

The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen who are invited to place their names on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which may be obtained on application to the Admiralty, showing the nature of the service which they are prepared to offer.

NOTE.—For List of Officers whose Commissions have been restored under these Regulations, see p. 721.

If during such re-employment they are injured on duty or lose their lives from causes attributable to the Service, their cases will be dealt with as regards compensation for themselves or pensions and compassionate allowances for their widows and children under the same Regulations as those for Officers of the same rank on the permanent Active List.

The above Regulations apply to Officers entering the Service after the 1st November, 1903.

Staff-Captains, whatever their seniority may be, are in all matters of command, and in all details relating to the duties of the Fleet, and to the discipline and interior economy of His Majesty's Ships, to be held subject to the authority of any Officer, not below the rank of Lieutenant, who may be in charge of the executive duties of the Ship, or in charge of any other special service or duty, of whatever seniority such Officer may be.

Lieutenants and Sub-Lieutenants appointed for Navigating duties will be required to take a share in the ordinary duties of their Ships, such as watch-keeping, acting as Divisional Officers, as in the case of Gunnery Lieutenants. Lieutenants promoted to that rank from the Navigating List will be required to perform Navigating duties until promoted to the rank of Commander, if called upon to do so.

All Officers of the same denomination in the Military Branch shall rank and command according to the order in which their names stand in the Official List of Officers of the Royal Navy; or, when not inserted in the List, according to the dates of their first Commissions, Warrants, or Orders, in their existing rank; and, if acting only, according to the seniority of their respective acting appointments; but Commanders and Lieutenants serving in a Ship bearing the Flag of a Senior Flag Officer present, or the Broad Pendant of a Commodore of the First Class, being the Senior Officer present, or in the Ship of the Senior Officer of five or more Ships present, shall, when in the presence of, or acting under the immediate order from, such Senior Flag Officer or Commodore, or Senior Officer of five or more ships present, and detached on service in company with other Commanders, and Lieutenants of the Fleet or Squadron present, shall take rank and command respectively of all other Commanders and Lieutenants. RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.—1899.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, *as modified by Order in Council of 17th February* 1888, *see* p. 951.)

Nothing contained in these regulations is to give a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government in England for any particular Service. But when Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except command as aforesaid), and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

Under the regulations formerly in force, the precedence of the Officer in command of His Majesty's Forces in any Colony, was dependent on the question whether or not he was entitled to administer the Government of the Colony in the absence of the Governor. But the alteration of circumstances has rendered this arrangement in some cases inconvenient or anomalous, therefore it is His Majesty's pleasure that the following rules be now observed in the Colonies in regard to the precedency of Military and Naval Officers in command of His Majesty's Forces:—

a. The Senior Officer in command of the troops, if of the rank of a General, and the Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, are to have precedency next after the Governor, their own relative rank being determined by the Regulations on that subject.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the Regulations on that subject.

c. If below the rank of Colonel or Lieutenant-Colonel, the Senior Officer in command of the Troops, and the Officer in command of His Majesty's Naval Forces on the Station, are to continue to take rank, as has heretofore been the case next after the Solicitor-General.

PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this day's date We were graciously pleased to annul, from and after the thirty-first day of October next, Our Royal Proclamation of the third day of August one thousand eight hundred and eighty-six, regulating according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the manner of Prize Money.

We do, therefore, now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of Prize Money, shall be made as follows, viz.:—

That the flag officer or officers shall have one-thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed, that is to say:—

When there is but one flag officer he shall have the entire one-thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers: commodores of the first-class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of Our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted:—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from Our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer

whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

Every commodore of the second class shall share as captain.

And We hereby direct, that the captain appointed as chief of staff, captain, commander, lieutenant commanding, staff commander commanding, or any other officer duly commanding any ship or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag officer to share, one-tenth of the entire net proceeds, except that if the single capturing ship be a classed ship having a commander under the captain the commander shall take a portion of the one-tenth part according to the proportion herein-after set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, and staff commanders commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts; each commander commanding, or commander under the captain in a rated ship, three parts; and each lieutenant commanding, or staff commander commanding, or other officer actually commanding, a vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; colonel of marines (artillery or light infantry) or of land forces serving as marines, doing duty with a battalion or force employed on shore for naval operations to share as captains; lieutenant-colonel of marines (artillery or light infantry) or of land forces serving as marines, employed on shore for naval operations, if in actual command of a battalion or force to share as captains, if second in command to share as commanders; major of marines (artillery or light infantry), or of land forces serving as marines employed on shore for naval operations, if in actual command of a battalion or force to share as commanders. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in eleven classes, so that each officer, man, and boy composing the rest of the complements of Our ships and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid, and every person present and assisting shall receive shares or a share, according to his class, as set forth in the following scale:—

SCHEDULE.

A PROCLAMATION.

WHEREAS by an Act passed in the fifty-ninth year of the Reign of His late Majesty King George the third Chapter 25 intituled "An Act to enable His Majesty to fix a rate and direct the deposal of Freight money for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels" it is enacted that from and after the eighth day of April one thousand eight hundred and nineteen all freight money to be paid for the Conveyance on board any of the Ships and Vessels of His Majesty his heirs and successors of Gold Silver and Jewels or of any other article which may be by special order received on board the said Ships and Vessels and for which freight shall be payable shall be paid at such rate and distributed and applied for such purposes and divided to and amongst such persons in such proportions and after such manner as His Majesty His Heirs and Successors shall from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that purpose; and that no freight money or reward shall thereafter be demanded, paid, received, or detained by, to, or for the use or on account of any person or persons for the Conveyance on board of any of the Ships and Vessels of His Majesty, His Heirs or Successors, of any Gold, Silver, or Jewels, or any other article which may be by Special order received on board the said Ship or Vessel, and for which freight shall be payable other than for the purposes, and by the person or persons, in the proportion, at the rates, and in the manner so to be paid and allowed by Proclamation or Proclamations; and that all bargains, contracts, covenants, and agreements made or entered into for the payment of any freight money, for or in the name or on the account of freight for the conveyance of gold, silver or jewels, or other articles as aforesaid, on board of any of His Majesty's Ships or Vessels, at any rate, or for any other purpose, or by or to any other person or persons or in any other manner or proportions than as aforesaid shall be and the same are by the said Act declared to be utterly void

And whereas by a Royal Proclamation made and issued by His Royal Highness the then Prince Regent in the name and on the behalf of His late Majesty King George the third dated the twelfth day of July one thousand eight hundred and nineteen rates were fixed at which freight should be paid for public and for private treasure respectively and in peace or war and for different voyages as in the said Royal Proclamation were specified.

And whereas by a Royal Proclamation by His late Majesty King William the fourth dated the twenty-third day of April one thousand eight hundred and thirty one the rates of freight fixed by the aforesaid Royal Proclamation dated twelfth July one thousand eight hundred and nineteen were altered.

And whereas by a Royal Proclamation by His late Majesty King William the fourth dated eighth June one thousand eight hundred and thirty one a rate of freight was fixed for the conveyance of gold and silver on board His Majesty's Packets.

And whereas by Our Order in Council dated eighth March one thousand eight hundred and thirty eight We were graciously pleased to authorise our Commissioners for executing the Office of Lord High Admiral of Our United Kingdom in any special cases which might occur to fix a less sum for the conveyance of Specie and Jewels than is directed by the Royal Proclamations dated respectively twelfth July one thousand eight hundred and nineteen, twenty third April one thousand eight hundred and thirty one, and eighth June one thousand eight hundred and thirty one

And whereas We have thought fit by and with the advice of Our Privy Council to revoke and annul the aforesaid Royal Proclamations and Order in Council subject as hereinafter stated. Now therefore We do hereby revoke and annul the said Royal Proclamations and Order in Council as from and after the thirtieth day of September one thousand eight hundred and eighty eight save and except as to any treasure whether gold, silver, jewels, or other articles which may have been actually shipped before the first day of October one thousand eight hundred and eighty eight, and save and except further than the said Proclamations and Order in Council shall continue to apply as to treasure actually shipped before the said last-named date. And We do by this Our Royal Proclamation by and with the advice of Our Privy Council order and direct that on and after the first day of October one thousand eight hundred and eighty eight the rate at which freight shall be paid for the conveyance on board any of Our Ships or Vessels of treasure belonging to parties other than the Crown whether gold, silver, jewels, or other articles which may by special order be received on board any of Our Ships or Vessels shall be one per cent.

Digitized by Google

And We do hereby further order and direct that the whole amount of the said freight, when received, shall be divided into four parts, and subject to the proviso hereinafter mentioned, distributed as follows, that is to say; one fourth to the Flag Officer if any or Flag Officers if more than one on the Station or in the Squadron to which the Ship receiving treasure on board may belong; two fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his receipt or sign the bill of lading for the treasure; and one fourth to Greenwich Hospital, for the use of that institution.

That when there shall be more than one Flag Officer on a Station, the said one fourth part shall be divided and distributed amongst the several Flag Officers on the Station, in the following proportions, viz.:—

If there be but two Flag Officers, the Chief shall have two third parts of the said one fourth, and the other shall have the remaining third part; but if the number of Flag Officers be more than two, the Chief shall have only one half, and the other half shall be equally divided amongst the junior Flag Officers; but if there be no Flag Officer on the Station, or the Ship or Vessel be not under the orders of a Flag Officer then that the Captain or Officer Commanding the Ship or Vessel shall have three fourths, and Greenwich Hospital one fourth.

Provided that such Flag Officer or Flag Officers shall not be entitled to claim his or their respective share or shares in such freight money, otherwise than on condition that he or they shall, before the gold, silver jewels, treasure, or other articles as aforesaid shall be put on board such Ship or Vessel, have entered or caused to be entered in a public order book on board the Ship of the Commander-in-Chief or the Senior Flag Officer commanding on the Station or in the Squadron to which such vessel belonks or delivered to the Captain or Officer commanding such ship or vessel, or in case of a Junior Flag Officer absent from the Commander-in-Chief, unless such junior Flag Officer shall have delivered to the Commander-in-Chief to be entered in the said order book, an engagement in writing, in form or to the effect following:—

> I, *A.B.*, am desirous of partaking in the advantages, with the risks attendant thereon, arising out of the conveyance of treasure under a contract of affreightment in any of the ships or vessels in the squadron [or in the particular ship, as the case may be]. And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such ships or vessels respectively [or, ship or vessel, as the case may be], such part of any loss or damage for which he or they may be liable in respect to the gold, silver, treasure, or other articles so carried on freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the share or interest in the said freight money to which I may be entitled.

And that such share or shares of the Flag Officer or Flag Officers as aforesaid, to which he or they shall not be entitled under the conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the ship or vessel in which the gold, silver, treasure, or other articles shall be carried on freight as aforesaid.

That in the event of loss or damage which may happen to the gold, silver, jewels, or other articles so received for conveyance and which may have been made good or satisfied by the Captain or Officer commanding the ship exceeding the total freight money, Greenwich Hospital shall not be entitled to receive any sum on account of such freight; and in cases in which the said loss so made good or satisfied may not amount to the whole of the freight money Greenwich Hospital shall be entitled only to its proportion of the balance of freight money over and above such loss or damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the rules of the service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to freight, be also considered as Flag Officers when in command of a Station.

That when the Captain or Commander, or his agent, shall have received the freight, he shall pay over to the Senior Flag Officer if any and to the Director of Greenwich Hospital, without delay, their respective shares, and the Captain shall be held responsible to both for any loss which may occur through his neglect or delay in receiving or paying the same; but if there be any question or difficulty as to the payment, he is to apprize the Senior Flag Officer if any and the Director of Greenwich Hospital respectively of the causes of such delay.

That the Captain or Officer commanding, on receiving any treasure on board any of Our Ships or Vessels, shall transmit to the senior Flag Officer when such Captain or Officer commanding shall be under a Flag Officer, and in every case to the Director of Greenwich Hospital, and to the Secretary of the Admiralty, a return of the amount of such treasure and of the freight paid or to be paid thereon.

That when the treasure shall, during the voyage, be transhipped into one or more ships, the freight shall be divided, pro ratâ itineris, among the Flag Officers, and Captains who may be entitled to share therein, according to the services performed by the different ships respectively; and if any difficulty or dispute shall arise respecting such division or distribution, any party interested therein may refer the same to the Commissioners for executing the Office of Lord High Admiral of Our United Kingdom and the decision or Orders of the said Commissioners or any two of them, as to such division or distribution, shall be final and conclusive thereon.

That in order to prevent any doubt or misunderstanding as to the rate or distribution of freight on gold, silver, jewels, or other articles as aforesaid received on board flag ships, or any other of Our ships and vessels, and to prevent any private agreements inconsistent with these regulations, all Flag or other Officers are expressly forbidden to receive on board any of Our ships or vessels any gold, silver, jewels, or other articles as aforesaid, upon any agreement or condition as to freight or the payment or distribution thereof different from these regulations, or to take, demand or receive any sums other than those established by these regulations. Any question, as to freight, loss, damage, or any share thereof, which may arise between any Officers, or between any Officer or Officers, and the Directors of Greenwich Hospital, and upon which they do not agree, shall be submitted to, and decided by, the said Commissioners or any two of them, and their determination shall be final and conclusive upon all persons interested.

That these rules and regulations shall be in force on and after the first day of October aforesaid and shall be thenceforth taken and understood to be the established rule and custom of Our Naval Service, on the several particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at Our Court at Osborne House, Isle of Wight, this tenth day of August, in the year of Our Lord One thousand eight hundred and eighty eight and in the fifty second year of Our reign

GOD SAVE THE QUEEN

NOTE.—Under former Proclamations the liability of the Commanding Officer in the event of any loss of the treasure was restricted to three fourths of the amount thereof corresponding to the amount of freight received by him and the Flag. If it be desired to preserve this limitation, which however will be matter of bargain with the Shippers of the treasure, the following words should be added to the usual form of Bill of Lading:—

> And it is hereby stipulated and agreed between the said and the Shipper and Owners and Consignees of the said that in case of Loss or Damage happening to the said Gold, Silver, Jewels or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be holden liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.
